Powerless

A silver dagger with an ornate hilt and a decorative pommel, set against a background of dark green foliage and purple flowers. The dagger is positioned vertically in the center of the image, with its hilt and pommel at the top and its blade pointing downwards. The hilt is highly detailed with intricate scrollwork and a central gemstone. The pommel is also ornate, featuring a central gemstone and decorative flourishes. The blade is straight and tapers to a point. The background is a dense thicket of dark green leaves and thin, dark branches, with several small, five-petaled purple flowers scattered throughout. The overall mood is mysterious and gothic.

philosophy of education for the purpose of understanding current higher education positing a more holistic alternative model in which students are embedded in a learning community that is itself embedded in a larger society. If liquid modernity has left a vacuum where, according to Bauman, the pilot's cabin is empty, this volume argues that no structure is better positioned to fill this vacuum than the university and outlines a renewed vision of social transformation through higher education.
