A Strategic Approach helps readers develop the essential writing skills and professional habits needed to succeed in 21st  
century media careers This research driven strategy based media writing textbook digs deeply into how media professionals  
think and write in journalism public relations advertising and other forms of strategic communication Authors Scott A Kuehn  
and Andrew Lingwall have created two comprehensive writing models to help students overcome their problems in finding  
and developing story topics by giving them starting points to begin writing The Professional Strategy Triangle model shows  
students how to think critically about the audience the situation and the message before starting a news story or persuasive  
piece and the FAJA four point model asks students a series of questions about their story type Fact Analysis Judgment or  
Action to guide them to the right angle or organizational structure for their message Rooted in classical rhetorical methods  
this step by step technique enables readers to strategically approach each writing task no matter the format      *General*
