

Fundraising For The Small Public Library

M. Sandra Wood

Fundraising For The Small Public Library:

Fundraising for the Small Public Library James Swan, 1990 This guide offers both librarians and trustees expert advice on competing successfully for scarce monies It then explains how to establish a foundation how and when to use professional fundraisers and how to utilise direct mail effectively

Successful Library Fundraising M. Sandra Wood, 2014-07-24 Obtaining the funding to maintain and grow library services and resources has always been a challenge Successful Library Fundraising Best Practices brings together a wealth of information from public academic special and school libraries who share their successful approaches to raising funds through a variety of traditional and outside the box methods Library development cultivating donors Endowments Corporate financing Special events Friends groups and volunteers Grants and more Fundraising is critical in today s economic climate Tips and ideas from this volume will help library professionals gain confidence to begin a fundraising program or improve their current fundraising activities

Library Fundraising Dwight Burlingame, 1995 A guide that provides successful fundraising examples for all types of libraries It includes practical information on what worked what didn t and what could work better and offers an insider s look at profitable development programs from a diverse mix of libraries The contributors of these scenarios come from various backgrounds and levels of fundraising expertise Library developers should find it easy to adapt these multiple perspectives to their own fundraising environment

Donors and Archives Aaron D. Purcell, 2015-02-12 Donor work and fundraising is essential for any vibrant archival program Without new collections and new funding archives programs can stagnate and their operations can become vulnerable to economic downturns Archivists spend a lot of time managing collections other archivists and researchers in their reading rooms but often not enough time considering the stuff that makes up their collections where that stuff comes from and how that stuff and the sources of that stuff can be valuable tools for advocacy promotion and fundraising for their archival programs Donors and Archives A Guidebook for Successful Programs reviews the complex landscape of donor work archival donations and institutional fundraising for today s archivists It provides practical approaches to enhance donor relations for all types of archival programs such as academic government private and corporate archives The book covers the planning the process and the partners needed for successful donations and donor programs Arranged into four sections the book offers practical advice and best practices in a number of areas including how donations work who donates to archives how to prepare for donors how to evaluate and manage the stuff from potential donors how to work with an institution s development office what are the obligations and expectations of archivists and donors how to develop donor strategies how to work with friends and supporters of the archives program what happens after the donation is complete and what is the overall value of donors to archival programs Donors and Archives A Guidebook for Successful Programs highlights the importance of development and fundraising for archives while focusing on the donor and potential donor Their interest their support their enthusiasm and their stuff are vital to the success of archival programs

Archivists involved in donor work and fundraising will find the practical advice and best practices in this book applicable replicable timely and valuable

Fundamentals of Collection Development and Management, Fourth Edition Peggy Johnson, 2018-07-23 Technical Services Quarterly declared that the third edition must now be considered the essential textbook for collection development and management the first place to go for reliable and informative advice For the fourth edition expert instructor and librarian Johnson has revised and freshened this resource to ensure its timeliness and continued excellence Each chapter offers complete coverage of one aspect of collection development and management including numerous suggestions for further reading and narrative case studies exploring the issues Thorough consideration is given to traditional management topics such as organization of the collection weeding staffing and policymaking cooperative collection development and management licenses negotiation contracts maintaining productive relationships with vendors and publishers and other important purchasing and budgeting topics important issues such as the ways that changes in information delivery and access technologies continue to reshape the discipline the evolving needs and expectations of library users and new roles for subject specialists all illustrated using updated examples and data and marketing liaison activities and outreach As a comprehensive introduction for LIS students a primer for experienced librarians with new collection development and management responsibilities and a handy reference resource for practitioners as they go about their day to day work the value and usefulness of this book remain unequaled

Fundamentals of Collection Development and Management Peggy Johnson, 2018-01-16 As a comprehensive introduction for LIS students a primer for experienced librarians with new collection development and management responsibilities and a handy reference resource for practitioners as they go about their day to day work the value and usefulness of this book remain unequaled

Supervision and Management Marie Keen Shaw, Hali R. Keeler, 2018-09-18 Many library support staff LSS who do not have management training will assume supervisory roles in library services during their careers This book is written to help LSS understand support and apply the basic principles of library supervision and management in their work on the topics of regulations and bylaws hiring staff performance expectations leadership and professional learning Readers will learn how to engage in effective decision making and participate in productive library meetings The importance of library policies and procedures are explained through many practical examples The scope of the book addresses many different aspects and examples of library management and how LSS can seek supportive roles to enhance library services and programs Chapters are written on these topics Basic regulations and bylaws Principles of management Hiring Staff performance expectations Leadership professional learning Library policies and procedures The book also addresses budget fundraising and grants partnerships community demographics marketing goal management customer service conducting meetings and effective decision making This book is aligned with the revised ALA LSSC competency standards for management and supervision and may be used as a textbook by instructors of Library Science programs or as a reference manual for library
