Gently Floating Largeprint:

Bowker's Guide to Characters in Fiction 2007 ,2008-02 British Books in Print ,1968 *An Introduction to the Study & Collection of Ancient Prints* William Hughes Willshire,1877 *Binding and Care of Printed Music* Alice Carli,2003
Music scores have always presented unique problems to those charged with their care and preservation The author's goal throughout this book is to present practices developed to balance cost effectiveness with archival soundness for binding and preserving musical scores This is a necessary reference for music librarians and composers who want to gain both specific skills and new perspectives on the central issues of binding and care **Whitaker's Cumulative Book List** ,1965 **A Wistful Wandering** Rohit Khare,2015-11-16 What you every day see quite often appears bland and devoid of any significant meaning unless viewed from an entirely fresh perspective And the author with all lucidity has a talent of doing exactly that Simple elements may it be the sunshine wind lakes trees the common happenings in our gardens the faces we see the monotony of a regular job the change of seasons or the common insipid occurrences such as the visit of a dragonfly the falling of a tree or coming across a lifeless bird are all turned on their heads and very artistically presented to the reader thereby inspiring a fresh contemplation of the seemingly mundane The author weaves in in between his short essays the fanciful follies of the human mind and in doing so draws on artful humour and boundless imagination to hold the close interest of the reader The work in its brevity much in the way of gentle speed breakers persists to slow down our frantic pace along the superhighways of our lives Highly recommended as an antidote to a hurried life *The Athenaeum* John Aikin,1809 **Subject Guide to Books in Print** ,1975 *The Photo-American* Edward W. Newcomb,1897 **Abstracts of the Papers Printed in the Philosophical Transactions of the Royal Society of London** Royal Society (Great Britain),1875 *The Athenaeum* ,1809 *The Printing Times and Lithographer* ,1880 **Journals and Printed Papers of the Parliament of Tasmania** Tasmania.
