Authentic Alaska Susan B. Andrews, John Creed, 1998-01-01 In this lively and sometimes poignant collection of essays and autobiographies nearly fifty Alaska Native writers tell of their unique way of life and bear witness to the sweeping cultural changes occurring in their lifetimes They explore a range of experiences and issues including skinning a polar bear traditional domestic and subsistence practices marriage customs alcoholism the challenges and opportunities of modern education balancing traditional and contemporary demands discrimination adapting to urban life the treatment of Native peoples in school textbooks and the social realities of speaking standard and village English With its fresh perspectives and unflinching authentic voices this collection is essential for an understanding of Alaska Native peoples today Montgomery Ward & Co. Catalogue and Buyers' Guide 1895 Montgomery Ward, 2008-04-17 A true record of an era this unabridged facsimile of the retail giant's 1895 catalogue showcases some 25 000 items from the necessities of life to products whose time has passed Illustrated **Montgomery Ward Catalogue of 1895** Montgomery Ward & Co., Montgomery Ward, 1969-08-01 Tea gowns bleached damask and yards of flannel and pillow case lace stereoscopes books of gospel hymns and ballroom gems the New Improved Singer Sewing Machine side saddles anti freezing well pumps Windsor Stoves milk skimmers straight edged razors high button shoes woven cane carpet beaters spittoons the Studebaker Road Cart commodes and washstands the Fire Fly single wheel hoe cultivator and plow combined flat irons and ice cream freezers What man woman or child of the 1890s could resist these offerings of the Montgomery Ward catalogue the one book that was read avidly year after year by millions of Americans on farms and in small towns across the nation The Montgomery Ward catalogue provides one of the few irrefutably accurate pictures of what life was really like in the gay nineties for it described and illustrated almost anything that anybody could possibly need or want in the way of store bought goods In fact in that pre department store era it was usually the only source for such goods Imagine if Montgomery Ward had issued an illustrated catalogue in the days of Louis XIV or Elizabeth I or Charlemagne what insights would we have into the daily life of the common folk the farmers and shopkeeper housewives and schoolchildren what sources of information for historians and scholars collectors and dealers what models for artists and designers In 1895 Montgomery Ward was the oldest largest and most representative mail order house in the country The brainchild of a former traveling salesman it issued its first catalogue in 1872 a one page listing of items By 1895 the catalogue reprinted here had grown to 624 pages and listed some 25 000 items almost all of them illustrated with live drawings Montgomery Ward was by then a multi million dollar business that profoundly affected the American economy and since it reached the most isolated farms and backwoods cabins its effect on American culture was almost as great Now once again available it is our truest most unbiased record of the spirit of the 1890s An introduction on the history of the Montgomery Ward Company and its catalogue has been prepared especially for this edition by Boris Emmet Ph D Johns Hopkins a foremost expert on retail merchandising His monumental work Catalogues
