Tax Smoothing and Fiscal Sustainability in South Asia* International Monetary Fund, 1999-05-01 This paper tests a version of Barro's tax smoothing model which assumes intertemporal optimization by a government seeking to minimize the distortionary costs of taxation using Pakistan and Sri Lanka data for 1956-95 and 1964-97 respectively The empirical results indicate that Pakistan's fiscal behavior is consistent with tax smoothing but not Sri Lanka's Moreover fiscal behavior in both countries was dominated by a stagnation of revenues large tax tilting induced deficits and the consequent accumulation of excessive public liabilities Analysis of the time series characteristics of tax tilting behavior indicates that for both countries the stock of public liabilities is unsustainable under unchanged fiscal policies **Modern Macroeconomics with Historical Perspectives** Shuetsu Takahashi, Mitsuyoshi Yanagihara, Kei Hosoya, Tsuyoshi Shinozaki, 2023-08-28 This book gives readers advanced insights into macroeconomics with historical perspectives and proposes policies to resolve the problems the Japanese economy faces In the past decade Japan has experienced a rapidly aging population with an ever decreasing number of children This causes significant problems related to macroeconomics covered by this book a decreasing population an increasing public debt an increasing social security expenditure and deteriorating labor productivity Thus the government must change the course it has followed until now These problems can be categorized into two types 1 human capital and 2 political institutions The book therefore consists of two parts The first using a macroeconomic model is mainly a discussion of health and education problems related to human capital The second part deals with policy problems related to political institutions that is the intergenerational imbalance preventive medicine local public utilities and other political issues Through the arguments presented here readers gain knowledge that will help to achieve the necessary economic policies in Japan **Works** Joseph Butler, 1900 **Political Economics** Torsten Persson, Guido Tabellini, 2002-01-25 What determines the size and form of redistributive programs the extent and type of public goods provision the burden of taxation across alternative tax bases the size of government deficits and the stance of monetary policy during the course of business and electoral cycles A large and rapidly growing literature in political economics attempts to answer these questions But so far there is little consensus on the answers and disagreement on the appropriate mode of analysis Combining the best of three separate traditions the theory of

macroeconomic policy public choice and rational choice in political science Torsten Persson and Guido Tabellini suggest a unified approach to the field As in modern macroeconomics individual citizens behave rationally their preferences over economic outcomes inducing preferences over policy As in public choice the delegation of policy decisions to elected representatives may give rise to agency problems between voters and politicians And as in rational choice political institutions shape the procedures for setting policy and electing politicians The authors outline a common method of analysis establish several new results and identify the main outstanding problems Essays, Ethical and Political Thomas Henry Huxley,1904 Kimber's Record of Government Debts ,1922 Parliamentary Debates New Zealand.
