The Collected Poems of Ted Berrigan Ted

Berrigan, 2007-03-21 Comfortably intimate classically adroit in its formal wit and invention altogether unique yet in no way excluding this meticulously edited edition of a master poet's collected works gives us the defining bridge from the New American Poetry of the 50s to that poetry now contemporary on both coasts and in all conditions No one ever recognized the people with whom he lived more particularly than did Ted Berrigan and no one ever brought them home to a reader with such unaggressive and persistent power This is a great great book for all seasons of the mind and heart Robert Creeley Ted Berrigan was a leader of the New York School his crazy energy embodied that movement and the city itself It is wonderful to have his Collected Poems in print John Ashbery A comprehensive and carefully chronicled volume that puts Ted Berrigan in historical context as one of the most influential poets of his generation His poems deft light definitely humorous irreverent poignant marvelous and tough The truth doing its work the great man doing the ordinary thing with a quick ear and a quick tongue revealing the personal in the universal He gives you his full attention about to be born again thinking of you Joanne Kyger In a life devoted to experimental art Ted Berrigan shaped his poetry and the space he occupied with a bold artistry based on his playful but powerfully skeptical view of the world He wondered what might actually be captured within the pages of a book but The Collected Poems allows us to again enjoy Ted Berrigan's delightfully demanding presence Lorenzo Thomas A singular balance of personal historical vision and sentiment both sweet and sour developed within the fractured

verbalism of the late twentieth century found lyric creates in Ted Berrigan's poems the unique colors of a particularly lived and still intensely living ensemble of moments Tom Clark author of *Late Returns A Memoir of Ted Berrigan* Some people are just more real than others I don't know another way to say it Ted Berrigan is totally real and he has fashioned an important sound for all of us to listen to He put it all together just before everyone else in his time our time got going America is lucky to count him as one of its great poets Peter Gizzi

Goodbye Beaver Lake Irwin Wolfe, 2001-10 Separatist madness engulfs Quebec in this saga of a society torn asunder by French Canadian nationalists hellbent on Quebec's secession from Canada It might be described as a historical political metaphor a cautionary tale recounting some of the momentous events which have occurred in the Province of Quebec between the late 50s and present day The story also dips back into the 30s and 40s

Kissing You Goodbye Jodie Rae Larsen, 2012-04-26 Andre Hunter is the guy that everyone wishes they can be in high school and it is up to him to bring life to a local low budgeted haunted house *Shadows* When he calls upon his truest of friends from kindergarten whom call themselves the Misfits he needs their help to establish and prevent sabotage from their rival members of Castle Thirteen After Andre witnesses the deaths of two friends including Ange Kornele he hopes for one thing a parallel life to change it Between his late grandfathers journal and a mysterious red book Andre finds himself into another world he had never imagined Where circumstances have changed and he finds himself in the shoes of the modern day Scrooge where he had been shunned by the Misfits He also discovers thatANGES older sister Justice is experiencing the same transition Furthermore Ange is unmanageable and no longer the innocent girl he grown to love In order to prevent certain events from occurring Andre must convince the Misfits that he is not the person of hostility and it will take more than one to stand united
