Gospel According To Mark:

The Gospel According to Mark George Martin, 2005 At the heart of this book is a verse by verse exposition of the New American Bible text of Mark's Gospel Interspersed throughout the text are dozens of short essays giving the social political economic and religious background and questions for reflection

The Beginning of the Gospel Eugene LaVerdiere, 1999 Mark wrote the beginning of the Gospel for Christians who thought it was the end For that he told them a story of another time when Jesus disciples thought it was the end but turned out to be the beginning That is why the passion resurrection of Jesus dominates the Gospel according to Mark Using rhetorical and literary analysis Father LaVerdiere introduces Mark's story as the beginning of the Gospel as we enter a new millennium

The Gospel According to Mark William L. Lane, 1974 The Gospel of Mark is significant in many ways Not only was it the first Gospel to be written and an important literary source for Matthew and Luke but it is also best characterized as a witness document a proclamation of salvation through Jesus Christ which received its creative impulse from the early apostolic preaching This widely praised commentary by William Lane shows Mark to be a theologian whose primary aim was to strengthen the people of God in a time of fiery persecution by Nero Using redaction criticism as a hermeneutical approach for understanding the text and the intention of the evangelist Lane considers the gospel of Mark as a total literary work and describes Mark's creative role in shaping the Gospel tradition and in exercising a conscious theological purpose By indicating how the text was heard by Mark's contemporaries while also studying Mark within the frame of reference of modern Gospel research Lane has constructed a thoroughgoing work that is at once useful to scholars and intelligible to nonspecialists From publisher's description

The Gospel According to Mark JAMES R EDWARDS, 2020-05-21 Like any other commentary series The Pillar New Testament Commentary has specific aims Designed both for serious students and for general readers of the Bible the PNTC volumes seek above all to make clear the meaning of the text of Scripture as we have it The scholars writing these volumes interact with the most important informed contemporary debate yet avoid undue technical detail Their ideal is a blend of rigorous exegesis and exposition scholarship and pastoral sensitivity with an eye alert both to biblical theology and to the contemporary relevance of the Bible Underlying the approach of this series is the

fact that God stands over against us rather than we in judgment of him When God speaks to us in his Word those who profess to know him must respond with reverence a certain fear a holy joy and a questing obedience These attitudes are reflected in the profoundly Christian stance of the PNTC authors toward the text With these values in place the Pillar commentaries will continue to be warmly welcomed by pastors teachers and students everywhere

A Pictorial Commentary on the Gospel According to Mark Edwin W. ed Rice,1881

Gospel of Mark Donald Juel,1999 This volume is written for anyone who for whatever reason is drawn to the New Testament it is also for those who are not so drawn It is written out of the conviction that good readers need to be formed Anyone can read the Bible No particular level of education is required To appreciate it fully however requires some kind of knowledge some reading habits and suspicions as well as fruitful prejudices Readers need to learn what to look for in stories that may seem distant and strange The long tradition of reading the scriptures in the church is not the enemy in such an enterprise but audiences change and the Bible must be heard and wrestled with in each new situation

Back cover *The Gospel According to Mark* Julie M. Smith,2018 The Gospel of Mark is an undiscovered gem hiding in plain sight Mark s story at least from the vantage point of a twenty first century audience is virtually unknown Following broader trends in Christian history Latterday Saints have focused on the other Gospels Mark s Gospel gets very little attention and when it does it is usually read through the lenses of the other Gospels with the result that Mark s distinctive voice is muted But the Jesus presented in Mark s Gospel is worthy of study He is a man of action and few words He is witty warm and wise He s also the Son of God He has power which leaves people in awe and he uses that power to help the people most people don t like He hugs little kids He listens to and learns from women He banishes demons and reminds parents to feed their children He doesn t know everything but he does know how to end chaos His disciples usually misunderstand him but he teaches them continually and patiently This Jesus is betrayed an
