Gossamer Magic Lisa St. John, 1983 **The Gossamer Mage** Julie E. Czerneda, 2019-08-06 Winner of the 2020 Aurora Award for Best Novel this fantasy epic tells the tale of one mage who must stand against a Deathless Goddess who controls all magic Only in Tananen do people worship a single deity the Deathless Goddess Only in this small forbidden realm are there those haunted by words of no language known to woman or man The words are Her Gift and they summon magic Mage scribes learn to write Her words as intentions spells to make beasts or plants designed to any purpose If an intention is flawed what the mage creates is a gossamer a magical creature as wild and free as it is costly for the mage For Her Gift comes at a steep price Each successful intention ages a mage until they dare no more But her magic demands to be used the Deathless Goddess will take her fee and mages will die To end this terrible toll the greatest mage in Tananen vows to find and destroy Her He has yet to learn She is all that protects Tananen from what waits outside And all that keeps magic alive

Unending Ivelisse Housman, 2025-09-23 In this high octane conclusion to Ivelisse Housman's Unseelie duology which Andrew Joseph White calls a portal to a world of glimmering fae and blistering magic two sisters discover that the things that make them different can lend them more power than they ever imagined Isolde Graygrove has always put her changeling twin sister first But ever since Seelie returned from the faerie realms with a newfound confidence in her magic and secrets she's keeping even from her twin Isolde can't help but wonder who is she if not her sister's protector Seelie knows there are some problems even magic can't solve Like the distance between her and Isolde the terror of her growing and unfamiliar emotions for Raze or the fact that the world's last fire Drake has imprinted on her like a baby duckling Still she can't help but try When Seelie accidentally splinters the three realms tangling the human and faerie worlds together into something new the vicious faerie Gossamer makes it his mission to take full advantage of the chaos unleashed Seelie and Isolde will need to spill their secrets decide who they can trust and navigate the sinister glamour of the faerie courts to save humankind and fae alike *Nancy's Garden* Sharon Wright, 2014-04-24 Nana is going to visit her friend Nancy and she's taking the family with her Nancy can't wait as she has a special surprise **Unseelie** Ivelisse Housman, 2023-01-03 The start of a swoony high energy duology that Emily Lloyd Jones author of *The Bone Houses* calls reminiscent of classic fairytales yet brimming with a charm all its own A world of glimmering fae that sparkles with mystery adventure and enchantment Andrew Joseph White New York Times bestselling author of *Hell Followed with Us* Iselia Seelie Graygrove looks just like her twin Isolde but as an autistic changeling left in the human world by the fae as an infant she has always known she is different Seelie's unpredictable magic makes it hard for her to fit in and draws her and Isolde into the hunt for a fabled treasure In a heist gone wrong the sisters make some unexpected allies and find themselves unraveling a mystery that has its roots in the history of humans and fae alike Both sisters soon discover that the secrets of the faeries may be more valuable than any pile of gold and jewels But can Seelie harness her magic in time to protect her sister and herself Housman's stunning debut is the
