

A Small Story will change your life...

A boy and a girl were playing together. The boy had a collection of marbles. The girl had some sweets with her.

The boy told the girl that he will give her all his marbles in exchange of her sweets. The girl agreed.

The boy kept the biggest and the most beautiful marble aside & gave the rest to the girl. The girl gave him all her sweets as she had promised.

That night, the girl slept peacefully. But the boy couldn't sleep as he kept wondering if the girl had hidden some sweets from him the way he had hidden his best marble.

Moral of the story:

**IF you don't give hundred percent
in a relationship, you'll always
keep doubting in any relationship.**

So give your hundred percent.

Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents.
