***THE ONLY THING NECESSARY FOR THE TRIUMPH  
OF EVIL IS FOR GOOD MEN TO DO NOTHING.***

This means that if you allow something inherently bad or evil to happen when you know or experience that what happened is morally wrong, then you allow "evil" to win and succeed, it "Victory".

You may feel that you can't interfere because "it's none of your business". Or you're afraid you'll be the next target. Or, maybe, you think other people will come forward and say something. Or you think you can't make time for it. Or you might even think you misjudged the situation. Or someone will act or say something for you.

Despite all the possible reasons on Earth, we let evil prevail because we are afraid of being unpopular, afraid, or, obviously, not caring. The world will not be destroyed by those who do evil, but by those who watch them and do nothing.

*Where Did All the Good Men Go?* , *God, what happen to our good Men!* Rina L. Williams, 2010-03-18 This book is about my life as a woman who wanted to have a good man but could not find one on my own I am a single mother with four children who had a horrible past that infected my thinking pattern towards men in general Some folks with this type of insecurity go and see therapist but decide to consult God about this issue In result of finding God I found the truth why many of women are single and the main reason is that we hold on to a lot of hurt that mess with our mind and thinking When I

began to contact God for myself when I was out the sight of church my family and friends I was faced alone in the mirror with myself And as I confront issue that was pulled up by seeking God it showed me the true answer to what I and many women ask God What happen to the good men is a book about my life that will inspire some and encourage other but important give you courage to face you I also show the importance of why having a relationship with God for yourself is necessary And in the end you will see that God s yoke is easy and burden is light When I tried to find a good man on my own I was picking the wrong one because of me not the men But when I finally decide to detach myself from my own issues and come outside myself I got free and love found me
