

Hapless Intent

Alan Paul Dobson, Barry Fitzpatrick

Hapless Intent:

Hapless Intent Rj McGuire, 2005-06 Hapless Intent is a pathetic and sometimes cathartic string of pieces devoted to life's mishaps and wonders Told through a collection of poems and essays Rj McGuire offers an emotional release from everyday life Not particularly happy or stunning the pieces lean on one another supported by strong words and immersed in a selfish pride The ego of the Creator overshadows each work in an attempt to validate the emotions that have surfaced Hapless Intent presents itself not as a story but as time passed A juvenile work largely hoping to free itself from the misery of its own existence it screams beneath your skin and surfaces as painful memories often can to deal not through healing but harsh exposure Hapless Intent holds up but not without trying to fall down *Consent* Pamela Susan Haag, 2018-09-05 Whom over the past two centuries has society construed as sexual victims Where and when did the notion of consent so crucial for law and politics today emerge In this brilliantly insightful work Pamela Susan Haag traces the evolution of public wisdom on some of society's most private and controversial matters At once an investigation of social history popular culture legal doctrine and political theory her book shows how in contemporary America the history of sexual rights is inextricably intertwined with that of liberalism Haag examines the nineteenth century obsession with the perils of seduction and twentieth century disputes over white slavery arranged marriages interracial relationships and rape The history of heterosexual modernity and identity must she argues be viewed as a crucial component of a much larger historical narrative that of the ways in which individual freedom and citizenship have been continually redefined in American liberal culture She illuminates the development of liberalism from its classic stage that ended after the post Reconstruction era to a modern version that came to fruition with the judicial acceptance of the right to privacy Finally she shows how debates over the meaning of heterosexual consent and violence contributed to this transformation *Crime and Psychology* Jonathan Venn, 2023-12-29 Clear and accessible in style this book offers a comprehensive introduction to criminal justice and forensic mental health and the ways in which they intersect Assuming no prior exposure to the field of criminal forensic psychology the book reviews ten areas where mental health professionals contribute regularly to the due process of law comprehension of rights competency to stand trial transfer of juveniles to adult court risk assessment mitigation sentencing sexually violent predators insanity and capital punishment of persons with mental illness and with intellectual disability The book also explores the major categories of mental disorders how they contribute to criminal behavior and what problems they present in courts and corrections Landmark cases from the United States and United Kingdom are also reviewed in detail to develop a thorough understanding of the court's decision making process Bridging the gap between abstraction and practice through its narrative presentation of case material emphasis on controversy and illumination of the historical roots of problems and ideas the book helps the forensic practitioner transition from novice to knowledgeable professional in the courtroom Drawing on the author's extensive experience in forensic psychology this book is the ideal resource for the early career forensic

mental health practitioner as well as graduate students in forensic mental health and forensic psychology and mental health professionals seeking to enter the field of forensics

No Intentions Florence Marryat,1874 *Something Close to Magic* Emma Mills,2024-07-09 A baker s apprentice reluctantly embarks on an adventure full of magic new friendships and a prince in distress in this appealingly breezy Kirkus Reviews and deftly written School Library Journal starred review young adult fantasy that s perfect for fans of Margaret Rogerson and Gail Carson Levine It s not all sugar and spice at Basil s Bakery where seventeen year old Aurelie is an overworked underappreciated apprentice Still the job offers stability which no nonsense Aurelie values highly so she keeps her head down and doesn t dare to dream big until a stranger walks in and hands her a set of Seeking stones In a country where Seeking was old fashioned even before magic went out of style it s a rare skill but Aurelie has it The stranger who turns out to be a remarkably bothersome bounty hunter named Iliana asks for Aurelie s help rescuing someone from the dangerous Underwood which sounds suspiciously like an adventure When the someone turns out to be Prince Hapless the charming but aptly named prince Aurelie s careful life is upended Suddenly she finds herself on a quest filled with magic portals a troll older than many trees and a few rocks and dangerous palace intrigue Even more dangerous are the feelings she s starting to have for Hapless The more time Aurelie spends with him the less she can stand the thought of going back to her solitary but dependable life at the bakery Must she choose between losing her apprenticeship or her heart
