The Jobfather Chronicles John Aigner,2022-02-02 The Jobfather Chronicles Breadcrumbs on the Trail of Right Livelihood By John Aigner About the Author For more than sixty years as an activist mentor and livelihood advisor John Aigner has served the underserved In the Jobfather Chronicles he reviews his life and times with humor gratitude and some regret This memoir combines a historical viewpoint of his times with frequent commentary on our current dilemmas Over 20 years ago he adopted the title Jobfather to brand his work as an out of the box career counselor As a counselor advisor and pundit he has helped thousands to find their right livelihood He looks forward to his next project working with ex offenders in a restorative justice initiative using emerging online video conferencing capabilities and developing the resulting interviews and lived experience into a new book on the subject *One Boy's Shadow* Ross A. Mccoubrey,2012 Fifteen year old Caleb Mackenzie doesn't put up a fight when his father announces the family is moving to Stapeton Nova Scotia In fact Caleb looks forward to a fresh start in the scenic little area Their new home Wakefield House sports large rooms a big barn where Caleb can work on cars and acres of forested land for privacy But it also has a troubling past In 1943 a boy who lived in the home vanished Caleb hears the stories about what may have occurred so many years ago but he passes them off as folklore until one day he's alone in the woods and hears the faintest whisper Did someone in the distance just call his name And what about his discovery in the hayloft Could there be something to those old stories after all The initial need to dismiss everything as coincidence becomes a soul searching journey into the past where Caleb is determined to uncover the truth about what really happened to the missing boy And in the process he learns even more about himself and what's really important
