Fascism Reader:

Fascism in America Gavriel D. Rosenfeld, Janet Ward, 2023-09-14 A timely exploration of the history and present day threat of fascism in the United States

Fascism Walter Laqueur, 1978

An Introduction to Political Theory John Hoffman, Paul Graham, 2013-09-13 This book provides an engaging and intellectually challenging introduction to political ideologies while at the same time giving an accessible route into the subject for those new to politics Supported by an outstanding companion website it has strong claims to be the best undergraduate textbook on ideologies on the market Dr Mike Gough University of East Anglia Introduction to Political Theory is a text for the 21st century It shows students why an understanding of theory is crucial to an understanding of issues and events in a rapidly shifting global political landscape Bringing together classic and contemporary political concepts and ideologies into one book this new text introduces the major approaches to political issues that have shaped the modern world and the ideas that form the currency of political debate Introduction to Political Theory relates political ideas to political realities through effective use of examples and case studies making theory lively contentious and relevant This thoroughly revised and updated second edition contains new chapters on global justice and political violence as well as an expanded treatment of globalisation and the state A wide range of pedagogical features helps to clarify extend and apply students understanding of the fundamental ideologies and concepts This is comprised of Case studies demonstrate how political ideas concepts and issues manifest in the real world Focus boxes encourage students to appreciate alternative viewpoints A range of thought provoking photographs challenge students to examine concepts from a different angle Suggestions for further reading and weblinks are also provided to help students to further their understanding Introduction to Political Theory is accompanied by an innovative website with multiple choice questions biographies of key figures in political theory further case studies and an innovative how to read feature which helps students get to grips with difficult primary texts

The Fascism Reader Aristotle A. Kallis, 2003 The Fascism Reader is a fascinating and wide ranging introduction to the complex nature limits aspects and dynamics of fascism as both ideology and practice The book draws together classic and recent interpretations to trace the development of generic fascism Exploring fascism in all its diverse manifestations this book discusses the classic examples of National Socialism in Germany and Fascism in Italy as well as a series of less familiar movements and regimes including the Iron Guard in Romania the British Union of Fascists Salazar s dictatorship in Portugal and Franco s regime in Spain The Fascism Reader explores all the key aspects of fascism including the essence and limitations of generic fascism the intellectual and ideological dimensions of fascism regimes of fascism as particular models of the exercise of power fascism and society from anti Semitism to fascist attitudes to women A must for all students of European history sociology and politics

Reader's Guide to the Social Sciences Jonathan Michie, 2014-02-03 This 2 volume work includes approximately 1 200 entries in A Z order critically reviewing the literature on specific topics from abortion to world systems theory In addition nine major entries cover each of

the major disciplines political economy management and business human geography politics sociology law psychology organizational behavior and the history and development of the social sciences in a broader sense **The Reader's Digest** DeWitt Wallace, Lila Acheson Wallace, 1930 **The Black Antifascist Tradition** Jeanelle K. Hope, Bill V. Mullen, 2024-04-02 The story of the fight against fascism across the African diaspora revealing that Black antifascism has always been vital to global freedom struggles At once a history for understanding fascism and a handbook for organizing against The Black Antifascist Tradition is an essential book for understanding our present moment and the challenges ahead From London to the Caribbean from Ethiopia to Harlem from Black Lives Matter to abolition Black radicals and writers have long understood fascism as a threat to the survival of Black people around the world and to everyone In The Black Antifascist Tradition scholar activists Jeanelle K Hope and Bill Mullen show how generations of Black activists and intellectuals from Ida B Wells in the fight against lynching to Angela Y Davis in the fight against the prison industrial complex have stood within a tradition of Black Antifascism As Davis once observed pointing to the importance of anti Black racism in the development of facism as an ideology Black people have been the first and most deeply injured victims of fascism Indeed the experience of living under and resisting racial capitalism has often made Black radicals aware of the potential for fascism to take hold long before others understood this danger The book explores the powerful ideas and activism of Paul Robeson Mary McLeod Bethune Claudia Jones W E B Du Bois Walter Rodney Frantz Fanon Aime Cesaire and Walter Rodney as well as that of the Civil Rights Congress the Black Liberation Army and the We Charge Genocide movement among others In shining a light on fascism and anti Blackness Hope and Mullen argue the writers and organizers featured in this book have also developed urgent tools and strategies for overcoming it **Reader's Guide to Periodical Literature Supplement** , 1928 **The Routledge History of the Second World War** Paul R. Bartrop, 2021-11-08 The Routledge History of the Second World War sums up the latest trends in the scholarship of that conflict covering a range of major themes and issues The book delivers a thematic analysis of the many ways in which study of the Second World War can take place considering international transnational and global approaches and serves as a major jumping off point for further research into the specific fields covered by each of the expert authors It demonstrates the global and total nature of the Second World War giving due coverage to the conflict in all major theatres and through the lens of the key combatants and neutrals examines issues of race gender ideology and society during the war and functions as a textbook to educate students as to the trends that have taken place in how the conflict has been and can be interpreted in the modern world Divided into twelve parts that cover central themes of the conflict including theatres of war leadership societies occupation secrecy and legacies it enables those with no memory of war to approach it with a view to comprehending what it was all about and places the history of this conflict into a context that is international transnational and institutional This is a comprehensive and accessible reference volume for anyone interested in the most up to date scholarship on this major conflict Chapter 18 of this book is freely available as a downloadable Open Access PDF

Searchlight, 2003 *Conservatives and Right Radicals in Interwar Europe* Marco Bresciani, 2020-12-30 This book features a broad range of thematic and national case studies which explore the interrelations and confrontations between conservatives and the radical Right in the European and global contexts of the interwar years. It investigates the political, social, cultural, and economic issues that conservatives and radicals tried to address and solve in the aftermaths of the Great War. Conservative forces ended up prevailing over far right forces in the 1920s with the notable exception of the Fascist regime in Italy. But over the course of the 1930s and the ascent of the Nazi regime in Germany, political radicalisation triggered both competition and hybridisation between conservative and right wing radical forces with increased power for far right and fascist movements. The book will be of great interest to students and scholars of politics, history, fascism, and Nazism. *The Utne Reader*, 1995-07 **Reader's Index and Guide**, 1924 *The Reader's Index & Guide* Croyden Public Libraries, 1939 **The Reader's Index and Guide**, 1939 **The History on Film Reader** Marnie Hughes-Warrington, 2009 Offers readers an introduction to just under 30 critical and representative writings on the relationship between film and history. These writings represent a combination of insights from film theory, cultural studies, historiography, the history of cinema, and film promotion and reception. **In Fact**, 1946 *Criterion*, 1928 *The US Antifascism Reader* Bill V. Mullen, Christopher Vials, 2020-01-07 How anti-fascism is as American as apple pie. Since the birth of fascism in the 1920s, well before the global renaissance of white nationalism, the United States has been home to its own distinct fascist movements, some of which decisively influenced the course of US history. Yet long before antifa became a household word in the United States, they were met time and again by an equally deep antifascist current. Many on the left are unaware that the United States has a rich antifascist tradition because it has rarely been discussed as such, nor has it been accessible in one place. This reader reconstructs the history of US antifascism into the twenty-first century, showing how generations of writers, organizers, and fighters spoke to each other over time. Spanning the 1930s to the present, this chronologically arranged primary source reader is made up of antifascist writings by Americans and by exiles in the US, some instantly recognizable, others long forgotten. It also includes a sampling of influential writings from the US fascist, white nationalist, and proto-fascist traditions. Its contents, mostly written by people embedded in antifascist movements, include a number of pieces produced abroad that deeply influenced the US left. The collection thus places US antifascism in a global context. **A Reader's Guide Book** May Lamberton Becker, 1924

This is likewise one of the factors by obtaining the soft documents of this **Fascism Reader** by online. You might not require more mature to spend to go to the book initiation as competently as search for them. In some cases, you likewise accomplish not discover the broadcast Fascism Reader that you are looking for. It will entirely squander the time.

However below, taking into account you visit this web page, it will be therefore utterly easy to get as skillfully as download lead Fascism Reader

It will not take on many become old as we notify before. You can attain it while discharge duty something else at home and even in your workplace. therefore easy! So, are you question? Just exercise just what we allow under as well as review **Fascism Reader** what you in imitation of to read!
