Joseph Roberts Smallwood Melvin Baker, Peter Neary, 2021-05-01 No other figure historical or political features more prominently in recent Newfoundland history than Joey Smallwood During his long career in Newfoundland politics Smallwood used the literary rhetorical and theatrical skills honed in the first five decades of his life to create a distinct and celebrated persona He told his own story in his lively autobiography *I Chose Canada* published in 1973 only a year after he left office Talented venturesome and above all resilient he was no ordinary Joe Smallwood was born in Gambo Bonavista Bay but grew up in St John s Leaving school at fifteen he quickly established himself as a journalist and as a publicist for Sir William Coaker s Fishermen s Protective Union In the early 1920s Smallwood sojourned twice in New York where he planned a Newfoundland labour party Ambition however led him to support the Liberal Party of Sir Richard Squires Defeated as a candidate in the general election of June 1932 he next promoted producer and consumer cooperatives but with mixed results In 1937 he edited *The Book of Newfoundland* and thereafter enjoyed great success on the radio as *The Barrelman* The book culminates with Smallwood s adoption of the cause of Confederation and his swearing in on 1 April 1949 as premier of the new Province of Newfoundland There are multiple J R Smallwoods but the aspiring and ambitious figure presented in this biography stands apart Melvin Baker and Peter Neary use the largely untapped sources of Smallwood s own papers and his extensive journalistic writing to add a documentary basis to what is known or conjectured about the first five decades of Smallwood s remarkable life both public and private

International Review of Administrative Sciences, 1983

Canadians at Last Raymond B. Blake, 1994-12-15 History provides some interesting case

studies of what happens when trade barriers come down Among them is the story told in this book of Newfoundland's integration into Canada in the aftermath of the province's 1948 referendum Raymond B Blake takes a refreshing approach to this episode in Canadian history avoiding the old shibboleths of conspiracy and local nationalism and instead making a down to earth study of economic and political events Canadians at Last explores the efforts of the many Canadians and Newfoundlanders who tried to make Confederation work Blake argues that Canada wanted union to remove any uncertainty in its dealings with Newfoundland over civil aviation defence and trade Newfoundland opted for union largely because Canada's burgeoning social welfare system promised a more secure existence Investigating the complex problems they encountered Blake details changes in trade fishing and manufacturing and in the political process in Newfoundland He also looks at the introduction and impact of social programs and the terms of the US military presence there Finally he demonstrates that by 1957 Newfoundland's integration into Canada was essentially complete it was being treated the same as the other provinces subject to the terms of union By beginning with the 1949 Confederation rather than the activities leading up to it and by thoroughly documenting areas of agreement contention and neglect Blake writes a solid contemporary history of Newfoundland's integration into Canada Virtually the only complete academic treatment of this subject Canadians at Last offers much basic information that so far has not been made available **Canadian Books in Print** ,1996

Embracing the Track of Appearance: An Mental Symphony within **Effects Of Transition To Confederation On Public Administation In Newfoundland**

In a global taken by screens and the ceaseless chatter of instantaneous communication, the melodic beauty and emotional symphony developed by the published term usually disappear into the background, eclipsed by the relentless sound and disturbances that permeate our lives. But, situated within the pages of **Effects Of Transition To Confederation On Public Administation In Newfoundland** an enchanting literary treasure overflowing with natural thoughts, lies an immersive symphony waiting to be embraced. Constructed by an elegant musician of language, that fascinating masterpiece conducts readers on an emotional trip, well unraveling the concealed songs and profound influence resonating within each cautiously crafted phrase. Within the depths with this emotional analysis, we can explore the book is key harmonies, analyze its enthralling writing model, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
