Eight Seconds:

8 Seconds Kevin Landis, 2007-10 *8 Seconds A Cowboy Guide to Riding the Christian Life* will give you insights from a cowboy's perspective of being passionate for Jesus and learning to pass the wild encounters of life to Jesus. God calls us to be passionate about Him and passive about ourselves. Author Kevin Landis demonstrates how the Bible and everyday life go hand in hand and brings different Bible events alive with stories from everyday life working with cattle, horses, and various rodeo events. Cowboys have a unique style to life; they have passion about what they do; they are on the edge of feast or famine every day. A cowboy will appear to be laid back and easygoing many times but put him in a corral with some wild critters and he is at the top of his game.

National Gallery Jonathan Ball, 2019-09-10 Jonathan Ball's fourth poetry book, the first in seven years, swirls chaos and confession together. At the book's heart is a question: Why create art? A series of poetic sequences torment themselves over this question, offering few answers and taking fewer prisoners. Loose sonnets that consider the artistic creations of Leatherface, monster killer from *The Texas Chain Saw Massacre*, sit alongside Rilkean elegies for an iPhone. Surreal meditations on the collage work of Guy Maddin are followed by all of the lines from Melville's *Moby Dick* that mention salt. Politicians and painters jostle while absurdist humour crashes into stark admissions of vulnerability in the wake of having children. A startling diversity of styles and subjects feed into the maelstrom of *The National Gallery* and its dark currents will draw you in to drown.

Criminal Law Kathryn H. Christopher, Russell L. Christopher, 2012 Law students often find criminal law to be one of the most interesting but also one of the most difficult courses. In *Criminal Law Model Problems and Outstanding Answers*, Russell Christopher and Kathryn Christopher make criminal law both easier and more interesting by offering typical fact patterns and model answers followed by an important self-assessment section.
