

The Culture of Egypt

• Egypt's culture is a rich tapestry woven from its Pharaonic heritage, Islamic traditions, and modern influences. Art, music, and literature have long been integral to Egyptian society, exemplified by icons such as the singer Umm Kulthum and Nobel laureate Naguib Mahfouz. Festivals, both religious and national, play a significant role, with celebrations like Ramadan and Sharm el-Nessim attracting widespread participation. Egyptian cuisine is characterized by dishes such as koshari, ful medames, and felafel. The country's film industry, known as the "Hollywood of the Arab World," has a storied history that continues to impact regional cinema.
