

GOD,
FOREKNOWLEDGE,
AND FREEDOM

Edited, with an Introduction,

by John Martin Fischer

STANFORD SERIES IN PHILOSOPHY

God Foreknowledge And Freedom

William L. Craig

God Foreknowledge And Freedom:

God, Foreknowledge, and Freedom John Martin Fischer, 1992 If God now knows that you will do something in the future can you nevertheless be free to do otherwise In recent years there has been much interesting new work on the venerable question of divine foreknowledge and the freedom of the human will a question that has haunted Christian thought nearly from its inception and is familiar from Boethius and Milton even to those with little awareness of other theological issues The authors of these twelve essays attempt to articulate an argument that if sound would show that God s forknowledge is incompatible with human freedom to do otherwise They do not all agree that the argument is sound but they attempt to state precisely why one might worry that God s forknowledge is incompatible with human freedom Some of the authors also distinguish the argument for the incompatibility of God s foreknowledge and human freedom from similar arguments for the incompatibility of the present truth of propositions about the future and human freedom and from arguments for the incompatibility of human foreknowledge and human freedom

Divine Foreknowledge and Human Freedom William Lane Craig, 1990-12-01 The ancient problem of fatalism more particularly theological fatalism has resurfaced with surprising vigour in the second half of the twentieth century Two questions predominate in the debate 1 Is divine foreknowledge compatible with human freedom and 2 How can God foreknow future free acts Having surveyed the historical background of this debate in *The Problem of Divine Foreknowledge and Future Contingents from Aristotle to Suarez* Brill 1988 William Lane Craig now attempts to address these issues critically His wide ranging discussion brings together a thought provoking array of related topics such as logical fatalism multivalent logic backward causation precognition time travel counterfactual logic temporal necessity Newcomb s Problem middle knowledge and relativity theory The present work serves both as a useful survey of the extensive literature on theological fatalism and related fields and as a stimulating assessment of the possibility of divine foreknowledge of future free acts

Freedom, Fatalism, and Foreknowledge John Martin Fischer, Patrick Todd, 2015 The book collects previously published articles on fatalism and the relationship between divine foreknowledge and human freedom and includes a substantial introductory essay and bibliography The introductory essay seeks to provide an analytic framework for the articles and it highlights connections between free will and recent work on metaphysical dependence

The Dilemma of Freedom and Foreknowledge Linda Trinkaus Zagzebski, 1996-04-25 This original analysis examines the three leading traditional solutions to the dilemma of divine foreknowledge and human free will those arising from Boethius from Ockham and from Molina Though all three solutions are rejected in their best known forms three new solutions are proposed and Zagzebski concludes that divine foreknowledge is compatible with human freedom The discussion includes the relation between the foreknowledge dilemma and problems about the nature of time and the causal relation the logic of counterfactual conditionals and the differences between divine and human knowing states An appendix introduces a new foreknowledge dilemma that purports to show that omniscient foreknowledge conflicts with deep intuitions

about temporal asymmetry quite apart from considerations of free will Zagzebski shows that only a narrow range of solutions can handle this new dilemma A compelling contribution to the field **The Dilemma of Freedom and Foreknowledge** will appeal to students and scholars of theistic philosophy and the philosophy of religion

Omniscience, Foreknowledge, and the Problem of Divine Freedom Graham C. Floyd, 2019-08-19 If God foreknows the future then he also foreknows his own future actions How then is God a free and responsible agent Four attempts at resolving the problem of human freedom in light of divine foreknowledge are applied to the problem of God's freedom in light of his foreknowledge

The Only Wise God William L. Craig, 2000-01-13 Does God know our actions before we do them And if so do human beings truly have free will Dr Craig contends that both of these notions are compatible showing how the Bible teaches divine foreknowledge of human free acts and reveals two ways of reconciling divine omniscience with human freedom

God's Foreknowledge and Man's Free Will Richard Rice, 2004-01-27 This book is a thought provoking study of some issues concerning the historic Calvinist Arminian debate Does God know absolutely everything that's going to happen Can He foresee future moral choices and actions which have not yet been made If one's future responses and behavior are totally foreknowable is she truly free Dr Richard Rice explores these and other fascinating questions which have sometimes divided Christians The author gives new perspective on one of the most fundamental issues of the Christian faith the relationship of God to His creation and the reality and extent of human freedom Carefully scrutinizing the Scriptures on this subject the author challenges the reader to examine for himself this critical issue of theology With strong theological background and sound biblical scholarship Dr Rice presents his viewpoint in a convincing and readable style

What Does God Know? William L. Craig, 2023-01-30 William Lane Craig is Professor of Philosophy at Houston Christian University and a Visiting Scholar at Talbot School of Theology He has authored or edited over forty books including his signature book Reasonable Faith as well as over 200 articles in professional peer reviewed publications In 2016 he was named by The Best Schools one of the 50 most influential living philosophers In 2021 he was ranked by Academicinfluence.com as the tenth most influential philosopher and the third most influential theologian over the last thirty years

God's Foreknowledge and Human Freedom Scott Davison, Charles Kielkopf, 1987

The Foreknowledge of God Lorenzo Dow McCabe, 1882

God and the Nature of Time Garrett J. DeWeese, 2017-03-02 Is God temporal in time or atemporal outside of time Garrett DeWeese begins with contemporary metaphysics and physics developing a causal account of dynamic time Drawing on biblical material as well as discussions of divine temporality in medieval and contemporary philosophical theology DeWeese concludes that God is temporal but not in physical time as we measure it Interacting with issues in the history of philosophy contemporary philosophy of science and philosophy of religion this book offers students a thorough introduction to the key issues and key figures in historical and contemporary work on the philosophy of time and time in theology

The Mechanics of Divine Foreknowledge and Providence T. Ryan Byerly, 2014-08-28 How exactly could God achieve infallible foreknowledge of every future event

including the free actions of human persons How could God exercise careful providence over these same events Byerly offers a novel response to these important questions by contending that God exercises providence and achieves foreknowledge by ordering the times The first part of the book defends the importance of the above questions After characterizing the contemporary freedom foreknowledge debate Byerly argues that it has focused too narrowly on a certain argument for theological fatalism which attempts to show that the existence of infallible divine foreknowledge poses a unique threat to the existence of creaturely libertarian freedom Byerly contends however that bare existence of infallible divine foreknowledge cannot threaten freedom in this way at most the mechanics whereby this foreknowledge is achieved might so threaten human freedom In the second part of the book Byerly develops a model for understanding the mechanics whereby infallible foreknowledge is achieved that would not threaten creaturely libertarian freedom According to the model God infallibly foreknows every future event because God has placed the times that constitute the history of the world in primitive earlier than relations to one another After defending the consistency of this model of the mechanics of divine foreknowledge with creaturely libertarian freedom the author applies it to divine providence more generally A novel defense of concurrentism is the result

Divine Foreknowledge and Necessity In-Kyu Song,2002 The omniscience of God poses problems for the concept of free will that has occupied philosophers for centuries Song systematic theology Hapdong Theological Seminary South Korea presents an argument for the presence of free will based on the distinction between hard and soft facts proposed by 14th century theologian and philosopher William of Ockham He suggests that God s knowledge of any particular act is a soft fact that is dependent on the performance of that act itself God s knowledge of an act only becomes true if that act is performed This characteristic of God s knowledge as Ockhamist soft fact is what allows for human freedom of action

Our Fate John Martin Fischer,2015-12-01 Our Fate is a collection of John Martin Fischer s previously published articles on the relationship between God s foreknowledge and human freedom The book contains a new introductory essay that places all of the chapters in the book into a cohesive framework The introductory essay also provides some new views about the issues treated in the book including a bold and original account of God s foreknowledge of free actions in a causally indeterministic world The focus of the book is a powerful traditional argument for the incompatibility of God s foreknowledge and human freedom to do otherwise Fischer presents this argument in various forms and defends it against some of the most salient criticisms especially Ockhamism The incompatibilist s argument is driven by the fixity of the past and in particular the fixity of God s prior beliefs about our current behavior The author gives special attention to Ockhamism which contends that God s prior beliefs are not over and done with in the past and are thus not subject to the intuitive idea of the fixity of the past In the end Fischer defends the argument for the incompatibility of God s foreknowledge and human freedom to do otherwise but he further argues that this incompatibility need not entail the incompatibility of God

s foreknowledge and human moral responsibility Thus through this collection of essays Fischer develops a semicompatibilist view the belief that God s foreknowledge is entirely compatible with human moral responsibility even if God s foreknowledge rules out freedom to do otherwise

God Spoke Once, I Heard Twice Rabbi Dr. Hillel Goldberg,2024-12-15 Bible commentary according to Rabbi Goldberg should mirror the many ways God enters into the human experience Offering philosophic inquiry personal reflection and fresh exegesis plus a touch of poetry humor and storytelling *God Spoke Once I Heard Twice* is a brilliant learned and inspired contribution to an ongoing chronicle of faith

God's Foreknowledge Does Not Deprive Man of His Freedom Nehemiyā Nīlakaṇṭhaśāstrī Gorhe,1889

Free Will Robert Kane,2001-12-03 Free Will brings together the essential readings on the debate of free will and determinism Written by top scholars in the field the essays represent some of the clearest and most accessible thinking on this subject The introduction offers a concise yet thorough mapping of this age old debate as well as a helpful overview of the selections

Divine Foreknowledge, Human Freedom, and Changing the Past Ari D. Bruening,2002

The God Who Is Triune Allan Coppedge,2007-10-01 The triunity of the Christian God is not just one isolated doctrine among others Allan Coppedge draws out the implications for our understanding of God s nature attributes roles relationship to creation and providence

Yeah, reviewing a ebook **God Foreknowledge And Freedom** could go to your near friends listings. This is just one of the solutions for you to be successful. As understood, expertise does not suggest that you have fantastic points.

Comprehending as well as covenant even more than supplementary will offer each success. next-door to, the message as competently as sharpness of this God Foreknowledge And Freedom can be taken as well as picked to act.

God Foreknowledge And Freedom Introduction

In the digital age, access to information has become easier than ever before. The ability to download God Foreknowledge And Freedom has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download God Foreknowledge And Freedom has opened up a world of possibilities. Downloading God Foreknowledge And Freedom provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading God Foreknowledge And Freedom has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download God Foreknowledge And Freedom. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading God Foreknowledge And Freedom. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading God Foreknowledge And Freedom, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download God Foreknowledge And Freedom has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security

when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About God Foreknowledge And Freedom Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. God Foreknowledge And Freedom is one of the best book in our library for free trial. We provide copy of God Foreknowledge And Freedom in digital format, so the resources that you find are reliable. There are also many Ebooks of related with God Foreknowledge And Freedom. Where to download God Foreknowledge And Freedom online for free? Are you looking for God Foreknowledge And Freedom PDF? This is definitely going to save you time and cash in something you should think about.
