Hanging Tree:

Myth of the Hanging Tree Robert J. Tórréz,2008-02-15 Torrez studies the gritty role of hangings in frontier New Mexico

Tulsa's Haunted Memories Teri French,2010 Explores the forgotten history and lost folklore of America's Most Beautiful City which has a haunting history that will captivate the reader with the secrets it holds from its intriguing past while mystery and mystique follow Tulsa's urban legends and prove that truth can be stranger than fiction Original **The Hanging Tree** V. A. C. Gatrell,Vic Gatrell,1994 BL The first book to explore what people felt about public execution during its heyday in England BL Provides a gripping exploration of the meaning and role of capital punishment in society BL Draws on various sources letters diaries ballads broadsides and images of the time My Youth Bryan De Vouge,2010-03-29 This book describes the author's childhood growing up on a farm living with four generations of family including his sister parents grandparents and great grandparents The author describes many varied experiences from helping his 90 year old great grandmother churn butter the old fashioned way to helping his grandfather feed the pigs and other animals on the farm He writes about his interactions with many of the other people who lived in the same community and some of the naughty things he and his friends did such as raiding apple orchards This book gives the reader a clear idea of how life was on a farm in rural Quebec in the 1950s The Killing State Austin Sarat,2001-05-24 Over 7 000 people have been legally executed in the United States this century and over 3 000 men and women now sit on death rows across the country awaiting the same fate Since the Supreme Court temporarily halted capital punishment in 1972 the death penalty has returned with a vengeance Today there appears to be a widespread public consensus in favor of capital punishment and considerable political momentum to ensure that those sentenced to death are actually executed Yet the death penalty remains troubling and controversial for many people The Killing State Capital Punishment in Law Politics and Culture explores what it means when the state kills and what it means for citizens to live in a killing state helping us understand why America clings tenaciously to a punishment that has been abandoned by every other industrialized democracy Edited by a leading figure in socio legal studies this book brings together the work of ten scholars including recognized experts on the death penalty and noted scholars writing about it for the first time Focused more on theory than on advocacy these bracing essays open up new questions for scholars and citizens What is the relationship of the death penalty to the maintenance of political sovereignty In what ways does the death penalty resemble and enable other forms of law's violence How is capital punishment portrayed in popular culture How does capital punishment express the new politics of crime organize positions in the culture war and affect the structure of American values This book is a timely examination of a vitally important topic the impact of state killing on our law our politics and our cultural life **The Hanging Tree** David Lambkin,1998-06-01 Palaeontologist Kathryn Widd is in the Kenyan wild investigating hominid skull fragments She becomes intrigued by a 1908 safari and the British nobleman who died mysteriously The further she probes the more deeply she is drawn into past lives and ancient

mysterious forces of violence When palaeontologist Kathryn Widd is called to the Kenyan wilderness to investigate a set of hominid skull fragments she little suspects how profoundly the journey will change her As she studies the ancient fossils she becomes intrigued by the tale of a 1908 safari and the British nobleman who died mysteriously near the site of her dig The further she probes the more deeply she is drawn into past lives and a world turned upside down by ancient mysterious forces of violence Surrounded only by the vast wasteland of African desert her forgotten sexuality is gradually reawakened first by Marion Macmillan the neglected wife of Kathryn s alcoholic colleague then by the mystic nomad Daniel Tregallion As the academic significance of the findings begins to attract worldwide attention Kathryn finds herself drawn into a vortex of dark passion native curses and devastating political violence
