**One Step Ahead** Alfred Philip Feldman, 2001-11-11 Through compelling personal accounts and family correspondence One Step Ahead documents Alfred Feldman s harrowing flight into exile as he and his family fled the pogroms that flooded across Nazi occupied Europe It is a memoir of horror and hope recounted by a man who survived the organized terror of Hitler s Final Solution as it destroyed entire generations of European Jewish life within ten catastrophic years in the mid twentieth century Feldman s memoir conveys the searing pain that has never left him while demonstrating the triumphant humanity of a survivor Feldman vividly describes the impact of the escalating anti Semitic hatred and violence in Germany during the 1930s the impact of the notorious Nuremberg Laws in 1935 and the terrifying Kristallnacht pogrom in 1938 By age sixteen Feldman was living with his parents and three younger sisters in Antwerp Belgium during the 1939 German invasions of Poland marking the start of World War II In the face of increasing persecution Feldman s extended family scattered over the globe in a desperate attempt to remain one step ahead of their Nazi pursuers Recalling his life on the run Feldman describes what few survivors have chosen to write about the Vichy raids of August 26 1942 the French labor brigades the Comit Dubouchage and life in supervised residence in France under the Italians While in the south of France Feldman endured food shortages and Nazi anti Semitic measures beginning with work camps and culminating in the deportation and ultimate death of his mother and sisters at Auschwitz To evade the Germans Feldman and his father fled into the Italian Alps in September of 1943 hiding between the Allies and the Germans Aided by local villagers the Feldmans survived precariously for over a year and a half along with other Jewish refugees until that region was liberated Only then and only gradually did Feldman manage to piece together the fate of his surviving family and learn at last of the death of his mother and sisters Now as an adult Alfred

Feldman has retraced his escape and exile taking his wife and children to his hometown in Germany the mountains in Italy and Montagnac where a plaque commemorates his mother and sisters *Powergame* Eugene Benson,1980 **March Anson and Scoot Bailey of the U.S. Navy (Illustrations)** Gregory Duncan,2015-03-30 Example in this ebook CHAPTER ONE FAREWELL TO THE PLYMOUTH The launch purred smoothly across the calm waters of the harbor making for the Navy Yard pier Their feet braced against the slow roll of the boat two young men stood looking at the huge gray ship they had just left I m beginning to have my doubts Scoot Bailey said almost to himself Same here the other replied March Anson was shorter than his friend but more solidly and compactly built His gray blue eyes were steady and cool matching the set of his jaw but the crinkling lines at their corners showed that this apparently serious young man spent a good deal of time smiling or laughing She was a swell ship Scoot said sadly Was exclaimed March She still is Just because Bailey and Anson have left her don t you think she can carry on any longer A slow smile spread over his face as he turned to look at his friend But Scoot was serious Oh sure March he replied But she s out of our lives now She s past tense for us And well she s been just about everything to us for a year now home mother and sweetheart I know what you mean March said And it s natural for us to wonder if we ve done the right thing in being transferred Right now we re looking at what we re leaving In another ten minutes we ll be concentrating on what we re going to Scoot Bailey turned around and sat down I m going to start right now he grinned No use getting sentimental about the old Plymouth at this point I m going to start thinking about the Lexington or the Shangri La or whatever aircraft carrier I ll be on in a few months Good idea March agreed sitting beside the tall and gangling young man who now stared ahead at the Navy Yard But that s one trouble right now Scoot Neither one of us knows exactly where he ll be If you knew exactly what ship you d be attached to you could make your thoughts more specific When you get there you know you ll love her just as much as you ve loved the Plymouth more in fact because you ll be flying at last Yes I know but what about you Scoot asked I still can t figure out why you want to be a pigboat man And what can you dream about now as you look into the future The name of some fish that s all Sure subs are named after fish March replied And they have some swell names too the Barracuda the Dolphin the Spearfish the Amberjack Yes they sound all right Scoot grinned But what if you re assigned to the Cod or the Herring or the Shad No I can t figure out what you see in those stuffy cramped oversized bathtubs This light hearted argument had been going on ever since March Anson and Scoot Bailey had been in the Navy together Neither one minded the jibes of the other but the dispute as to the respective merits of air and underwater craft never ended Cozy and snug March said stoutly that s what subs are Not cramped and stuffy Why they re all air conditioned now Maybe so Scoot said shaking his head but no air conditioning can match the clear blue sky a couple of miles up there where I ll be flying Boy what a chance Just what I ve always wanted Their departure from the cruiser Plymouth was forgotten now as they thought of their futures Only one aspect of that future was rarely mentioned by either of them and they tried not to think too much about it In their new activities they would not be together these two who had been inseparable

friends for so many long years They had met in the first year of high school back in that small Ohio city which now during war seemed so many miles and so many years away Scoot had lived in Hampton all his life but March had just moved there from the farm which his mother had sold when his father died A widow with a son only thirteen years old could not run a 160 acre farm she had decided not if her son was to get the education she had determined he would have To be continue
