By Your Side David Richo,2024-09-24 A fascinating exploration of the assisting force archetype with powerful psychological tools and spiritual insights on how to find and work with these forces in your life from the bestselling author of How To Be An Adult in Relationships Psychotherapist David Richo draws from history Jungian psychology Buddhism nature and other spiritual traditions to illuminate our connection to the helpers we call upon to navigate life Some of the assisting forces in our lives are visible and some are invisible Some are with us for life some come and go Spiritual assisting forces could be bodhisattvas and saints or partners in a relationship who are allies to one another

Richo says that helpers are a necessary character on our human journey and that in every heroic journey story the hero or heroine requires a trustworthy companion to fulfill his or her destiny. The assisting force can take many forms but is often depicted as a sidekick, an aide, a wise advisor, or a spirit guide. In stories, an assisting force can also be an elixir, a magic form of help, an animal, or a wish-fulfilling gem. In this fascinating inquiry, Richo posits that the archetype of the ally is necessary if we are ever to be fully who we are. He shows us how assisting forces are in and around us and how we can be one to others. Richo offers a compelling and accessible view and time-tested practices including meditation, self-inquiry, journaling, and affirmations that help us recognize and access the allies in our lives.

Seeds for a Boundless Life Zenkei Blanche Hartman, 2015-08-25. Short and accessible teachings from one of America's pioneer woman Zen teachers. Zenkei Blanche Hartman is an American Zen legend. A teacher in the lineage of Shunryu Suzuki, author of *Zen Mind Beginner's Mind*, she was the first female abbot of an American Zen center. She is greatly revered, especially in the San Francisco Bay Area where she has lived and taught for many years. This, her long-awaited first book, is a collection of short teachings taken from her talks on the subject of boundlessness—the boundlessness that sees beyond our small, limited self to include all others. To live a boundless life, she encourages living the vows prescribed by the Buddha and living life with the curiosity of a child. The short, stand-alone pieces can be dipped into whenever one is in need of inspiration.
