Frog in a Coconut Shell Sylvia Sherry,1981 *Frog Under a Coconut Shell* Josephine Chia,2010 **The Frog's Mission to Fly** Khadijah Hashim,2012 **Indonesian Idioms and Expressions** Christopher Torchia,Lely Djuhari,2007-07-15 Indonesian Idioms and Expressions is a collection of Indonesian expressions including proverbs slang quotations and acronyms that offers a commentary on their origins as well as insights into Indonesian culture customs and history The book is an informal compendium designed to be both educational and easy to read There are four parts in the book and the chapters hit on various linguistic themes among them wisdom characters animals food slang family affairs and politics Entries include the expression in Bahasa Indonesia a translation an equivalent expression in English and an explanation if necessary The idea is to learn about Indonesian through the texture and content of its language rather than the headlines often bad ones that tend to dominate perceptions of the vast country *Storytelling in Bali* H. Geertz,2016-11-01 In *Storytelling in Bali* Hildred Geertz makes a case for the importance of the role of informal storytelling as an engine of social change in Bali in the 1930s This is a study of more than 200 texts dictated by the painters of the village of Batuan in 1936 to the anthropologist Gregory Bateson It is completed by three years field work in Batuan in the 1980s The tales reveal a set of strong ambivalences about the magical powers of kings priests and sorcerers and about social strains within villages and families These narratives were related in the daily settings of home and coffee shop and also in the spectacular dance dramas of the time **Bungee Love** JJ Stone,2014 Love is alluring seductive and elusive Love yearns hurts and heals We fall into love unprepared and we discover new dimensions new flavors of love everyday JJ fell in love with conventional expectations but discovered a gut wrenching push pull in his heart that he never imagined Bungee Love is a tale about his discoveries his broken marriage and his search for reconciliation He left America to start a new life in Asia and was surprised and astounded by what he learned from new cultures and people as he traveled He discovered amazing new places with rich Asian histories and religions He found adventures traditions and ancient temples in Cambodia Thailand Viet Nam and Indonesia but he was not prepared for the steamy lurid side of Asia Bangkok and Pattaya revealed more than sex for sale on a gawdy blatant scale they provided glimpses of the hidden lives motives and dreams of the girls drawn into the bargirl life He developed insights into himself and his life as he began to understand the lives of the women he met but JJ was no more ready for the sexy bargirls who pulled him into Hell than the goodness that rescued him **New Directions in Thai Studies** Preedee Hongsaton,Ying-kit Chan,2025-07-22 This book considers recent developments in Thai history and historiography examining why Thai studies had suffered under a combination of protectionism uncritical learning and unwillingness to engage with scholarship from abroad The essays collected here explore from Thai perspectives innovations in theory and methodology in Thai studies gathering critical insights from disciplines such as anthropology and cultural studies The book may also serve as an entry to Thai studies informing experts and non specialist readers alike on topics such

as access to Thai archives the difficulties in conducting ethnographic research with Thai subjects the non development of scholarly disciplines in Thailand and the challenges and opportunities presented by Thai studies as a whole for prospective scholars and graduate students

The Peoples and Politics of the Far East Henry Norman,1895 The Far East presents itself to the attentive traveller under two aspects It is the last Wonderland of the World and it is also the seed bed of a multitude of new political issues I have endeavoured to reflect in these pages this twofold quality of my subject Therefore the record of mere travel is interwoven with that of investigation the incidents and the adventures of the hour are mingled with the factors and

the statistics of the permanent problems By this means I have hoped to reproduce upon the reader s mind something of the effect of the Far East upon my own It is a picture which is destined either in bright colours or in sombre to become increasingly familiar to him in the future *Some Notes on the Government Services in British Malaya* Cuthbert Woodville Harrison,1929 **Twentieth Century Impressions of British Malaya** Arnold Wright,H.
