## **Ball State Basketball Media Guide:**

**Ball State University** Anthony O. Edmonds, E. Bruce Geelhoed, 2001 This is a narrative and interpretive history of a major institution of higher education In it the authors want to avoid the pitfalls of too many other college histories which are sometimes either painfully detailed encyclopaedic catalogues of one damn thing after another or panegyrics praising one damn president or construction project after another Obviously they want to tell an interesting story focusing on the people who inhabited the institution from powerful presidents like John R Emens to boisterous students like David Letterman whose fame as a late night talk show host makes his name a household word And they trace the history of the institution and its people from the local business people who pushed to establish higher education in a small Midwestern city in the late 19th century to a 21st century president who spent most of his life in the South But this is not simply a series of stories The authors emphasise two crucial themes that run throughout Ball State s history First more than most American colleges and universities Ball State has had extraordinarily close ties with the community of Muncie especially its elite From the fact that it was named after a local industrialist to vital community participation in its latest fundraising campaign Ball State and Muncie East Central Indiana are inextricably linked Second in many ways Ball State is a representative even paradigmatic American university Targeting mainly students from its region Ball State has had virtually open admission standards for most of its history It has lived what we call the Jacksonian vision of access to education It has also followed a trajectory similar to many other American universities as it moved from normal school to teachers college to comprehensive university Indeed the authors argue it is the Ball States of America that best define this nation s genius in higher education separating this country s system of higher education from those of other countries Ball State University then is both distinctive and representative a fascinating case study in educational history **Indiana Basketball Media Guide** ,1998 [Illinois Media Guide, Women's Basketball](#) ,2009 **Basketball** David L. Porter, 2005-07-30 From its beginnings at the turn of the 20th century to its pervasive presence in 21st century America basketball has grown into an undeniably important sport The 575 entries in this biographical dictionary present concise narratives on the lives and careers on the most important names in basketball history Entries include both classic players such as Kareem Abdul Jabbar and Bob Cousy as well as more recently established and up and coming stars such as Carmelo Anthony Kevin Garnett and LeBron James Entries for coaches such as the Boston Celtics Red Auerbach and Mike Krzyzewski from Duke University present the figures who have shaped the game from courtside while the inclusion of female players and coaches such as Lisa Leslie Diana Taurasi and Pat Summitt show that basketball is not just a sport for men From its beginnings at the turn of the 20th century to its pervasive presence in 21st century America basketball has grown into an undeniably important sport The 575 entries in this biographical dictionary present concise narratives on the lives and careers on the most important names in basketball history Entries include both classic players such as Kareem Abdul Jabbar and Bob Cousy as well as more recently established and up and coming stars such as Carmelo

Anthony Kevin Garnett and LeBron James Entries for coaches such as the Boston Celtics Red Auerbach and Mike Krzyzewski from Duke University present the figures who have shaped the game from courtside while the inclusion of female players and coaches such as Lisa Leslie Diana Taurasi and Pat Summitt show that basketball is not just a sport for men This volume is an ideal reference for students seeking easily accessed information on the greats of the game **Big Ten Conference ... Women's Basketball Media Guide** ,1994 **From Six-on-Six to Full Court Press** Janice A. Beran,2008-02-01 From Six on Six to Full Court Press is a complete history of Iowa women s high school college and recreational basketball Beran s exhaustive research covers legendary players and coaches changes in rules stats on Iowa girls high school records alterations in playing styles and uniforms along with the heart stopping excitement of the state tournament Hoop Source **Illinois Volleyball Media Guide** ,2008 Iowa State Men's Basketball ,2001 **Benching Jim Crow** Charles H. Martin,2010 Historians sports scholars and students will refer to Benching Jim Crow for many years to come as the standard source on the integration of intercollegiate sport Mark S Dyreson author of Making the American Team Sport Culture and the Olympic Experience **Big Ten Conference ... Volleyball Media Guide ,1999 *Bowker's News Media Directory* Bowker Staff,2003 **Illinois Soccer Media Guide** ,2006 **The Writer's Resource Guide** William Brohaugh,JoAnne Moser Gibbons,1979 Transforming the University of Kansas John L. Rury,Kim Cary Warren,2015-08-10 Sitting atop Mount Oread the University of Kansas stands as a monument to the determination of the state s earliest settlers to build for the future As a city on a hill the university has also mirrored both American society s hopes and its fears and never has this been truer than over the past five decades Transforming the University of Kansas chronicles the many accomplishments and the daunting challenges that marked the last half century at the University On the eve of the sesquicentennial anniversary of the school s founding this book reflects upon the people politics and developments that have transformed KU since 1965 making it the distinctive institution of higher learning that it is today Like major universities across the country Kansas became a global research institution in these years a leader in academic inquiry and scholarly expertise It also experienced a wrenching process of change following student protests demanding greater rights and recognition The authors all experts from KU s faculty or staff focus on particular aspects of the era documenting major changes that occurred and introducing key leaders Organized in three broad categories leadership and politics teaching and research and students protest and sports these essays draw upon a wealth of archival material including interviews and yearbooks student publications and alumni sources to create a full and richly textured picture of growth and change over five decades These essays detail the school s transformation from a bucolic college into a sprawling university capturing the personalities and spirit of each of the eight chancellors who have guided KU through these challenging times The essays describe innovations in learning from the liberal arts through international studies and graduate research And they reveal the changing character of student life in

curricular and extra curricular activities in campus activism scholarship and athletics Together the essays comprise a living portrait of the university broad in scope and vivid in detail growing and adapting to a rapidly changing world prepared to meet the challenges of the new century
