

Perl
THE FOUR-FRONT-WAR

William R. Perl
With a Foreword by Menachem Begin
THE FOUR-FRONT-WAR

The Most Daring Rescue Operation of the Century...

CROWN

As a war correspondent who watched the tragic story unfold in the streets of Palestine during World War II, I might have a bit of a bias. But Mr. Perl produces revelations that are not only shocking and sudden but also the most hard-hitting. This is a book that should come foremost in Whistler's and Freud's. It will also make ordinary people aware of the way in which a people wrongly put in a hopeless place in blood and pain, and by dogged courage and determination eventually triumphed over the evil and evil, shibboleth, bureaucracy.

Dr. William Perl's *The Four-Front War: From the Holocaust to the Present Day* is a well-written and documented account of the efforts to rescue the stranded Jews of Europe and to bring them to the safe haven of Palestine. Dr. Perl's book is not only a historical document but also a great piece of fiction. It is especially instructive in this year of the best people who were again incarcerated unless they could be rescued.

The justly praised account of a troubling historical period, this new book is an extremely well-documented treatise that comprises the plight of the Jews in Europe and in Palestine during the Second World War. The lessons of *The Four-Front War* remain as valid today as they were when first written.

Dr. Perl paints a picture of heroic dignity in the face of death, unprecedented courage in the face of despair, and the remarkable hope of the human spirit. Compelling reading, this book deserves to be read and read again. It is a book that the Jewish people and indeed all people should read.
