## Hazon Nahum:

□□□□ □□□□ Yaakov Elman, Jeffrey S. Gurock, 1997      **The Virtue Ethics of Levi Gersonides** Alexander

Green, 2016-11-29 This book argues that Levi Gersonides articulates a unique model of virtue ethics among medieval Jewish thinkers Gersonides is recognized by scholars as one of the most innovative Jewish philosophers of the medieval period His first model of virtue is a response to the seemingly capricious forces of luck through training in endeavor diligence and cunning aimed at physical self preservation His second model of virtue is altruistic in nature It is based on the human imitation of God as creator of the laws of the universe for no self interested benefit leading humans to imitate God through the virtues of loving kindness grace and beneficence Both these models are amplified through the institutions of the kingship and the priesthood which serve to actualize physical preservation and beneficence on a larger scale amounting to recognition of the political necessity for a division of powers      *Coherent Judaism* Shai Cherry, 2021-06-29 *Coherent Judaism* begins by excavating the theologies within the Torah and tracing their careers through the Jewish Enlightenment of the eighteenth century Any compelling contemporary Judaism must cohere as much as possible with traditional Judaism and everything else we believe to be true about our world The challenge is that over the past two centuries our understandings of both the Torah and nature have radically changed Nevertheless much Jewish wisdom can be translated into a contemporary idiom that both coheres with all that we believe and enriches our lives as individuals and within our communities *Coherent Judaism* explains why pre modern Judaism opted to privilege consensus around Jewish behavior halakhah over belief The stresses of modernity have conspired to reveal the incoherence of that traditional approach In our post Darwinian and post Holocaust world theology must be able to withstand the challenges of science and history Traditional Jewish theologies have the resources to meet those challenges *Coherent Judaism* concludes by presenting a philosophy of halakhah that is faithful to the covenantal aspiration to live long on the land that the Lord our God has given us      **Must a Jew Believe Anything?** Menachem Kellner, 2022-03-09 The crucial question for today s Jewish world Kellner argues is not whether Jews will have Jewish grandchildren but how many different sorts of mutually exclusive Judaisms those grandchildren will face This accessible book examines how the split that threatens the Jewish future can be avoided For this second edition the author has added a substantial Afterword reviewing his thinking on the subject and addressing the reactions to the original edition      **The Jewish Encyclopedia** ,1912      Hebrew Bible / Old Testament.
