One of Us Will Be Dead by Morning David Moody,2017-12-05 In One of Us Will Be Dead by Morning David Moody returns to the world of his Hater trilogy with a new fast paced and wonderfully dark story about humanity s fight for survival in the face of the impending apocalypse The fewer left alive the higher the stakes Kill the others before one of them kills you Fourteen people are trapped on Skek a barren island in the middle of the North Sea somewhere between the coasts of the UK and Denmark Over the years this place has served many purposes a fishing settlement a military outpost a scientific base but one by one its inhabitants have abandoned its inhospitable shores Today it s home to Hazleton Adventure Experiences an extreme sports company specializing in corporate team building events Life there is fragile and tough One slip is all it takes A momentary lapse leads to a tragic accident but when the body count quickly starts to rise questions are inevitably asked Are the deaths coincidental or something else entirely Those people you thought you knew can you really trust them Is the person standing next to you a killer Will you be their next victim A horrific discovery changes everything and a trickle of rumors becomes a tsunami of fear Is this the beginning of the end of everything or a situation constructed by the mass hysteria of a handful of desperate and terrified people
