

Hi

I'm trying to gather my thoughts into something coherent, but right now my mind is just a jumbled A Patchwork sequence. At all the times I daydreamed about, waited for, and pined away for a chance to get to tell you this news. All the times I was ~~thousands~~ close, reaching out for it, only for it to fall through. I almost stopped thinking it could ever happen, after 20 years of having the carrot dangled and then yanked away. But that's all in the past now. I've been bursting into tears of joy at random intervals ever since I found out that this is really happening. I really get to say those words.

All of the music I've ever made... now belongs... to me.

And all my music about
All the absent ones.
The album art and photography
The unreleased songs
The memories. The magic. The madness.
Every single one
My entire life's work.

To say this is my greatest dream come true is actually being pretty reserved about it. To my fans, you know how important this has been to me - so much so that I meticulously re-recorded and released 4 of my albums calling them Taylor's Version. The passionate support you showed those albums and the incredible story you carried The Eras Tour into is why I was able to buy back my music. I can't thank you enough for helping to rewrite me with this art that I have dedicated my life to, but have never owned until now.
