Healing An Angry Heart:

Healing an Angry Heart Cardwell C. Nuckols, Ph.D.,1997-06-01 A thought provoking collection of stories Healing an Angry Heart offers an honest look at life and the role anger plays in it This is a book about the spirit filled with tales of the fullness of life and the journeys heart and soul take on the road to recovery **My Angry Heart** Steven Thompson, II,2023-10-08 In our fast paced and demanding world it is no surprise that many of us find ourselves grappling with anger and its negative consequences The human heart an intricately woven tapestry of emotions is susceptible to the poisonous influence of anger However amid the chaos there lies the possibility of healing and transforming an angry heart into one that beats with harmony and tranquility *My Angry Heart A Simple Guide to Healing from Within* is a compassionate guide that seeks to illuminate the path toward inner peace Drawing upon the wisdom of psychology philosophy and personal anecdotes this book offers practical insights and transformative strategies that can be used right now for those who are ready to embark on a journey of self discovery and healing *Healing the Angry Heart* Kathy Collard Miller,1984 God's Daughters R. Marie Griffith,1997-10-08 In recent decades religious conservatives and secular liberals have battled over the appropriate role of women in society In this absorbing exploration of Women s Aglow Fellowship the largest women s evangelical organization in the world R Marie Griffith challenges the simple generalizations often made about charismatic or spirit filled Christian women and uncovers important connections between Aglow members and the feminists to whom they so often seem opposed Women s Aglow is an international interdenominational group of spirit filled women who meet outside the formal church structure for healing prayer worship and testimony Aglow represents a wider evangelical culture that has gained recent media attention as women inspired by the Christian men s group Promise Keepers have initiated parallel groups such as Praise Keepers and Promise Reapers These groups are generally newcomers to an institutional landscape that Aglow has occupied for thirty years but their beliefs and commitments are very similar to Aglow s While historians have examined earlier women s prayer groups they ve tended to ignore these modern day evangelical groups because of their assumed connection to the religious right God s Daughters reveals a devotional world in which oral and written testimonies recount the afflictions of human life and the means for seeking relief and divine assistance A relationship with God envisioned as father husband or lover and friend is a way to come to terms with pain dysfunctional family relationships and a desire for intimacy Griffith s book is also valuable in showing the complex role that women play within Pentecostalism a movement that has become one of the most important in twentieth century world religions Heal My Heart, Lord Emilie Barnes,Ann Christian Buchanan,2006-02-01 Brimming with optimism and trust Heal My Heart Lord pours out a message of hope and assures women they can bring their needs to God and He will provide Bestselling author Emilie Barnes leads women to quietness and peace through heartwarming chapters that focus on God s remedies for difficult situations and offer words of encouragement to everyone facing difficult times This uplifting collection of compassionate meditations offers the

gentle reminder that it is precisely during times when the valley of the shadow seems too long to endure that we come to know the abundant reality of God's presence. A treasured addition to any woman's library or a thoughtful gift to a friend seeking to trust God and rest in His embrace. **Kissed the Girls and Made Them Cry Workbook** Lisa

Bevere, 2004-10-18 Women are admitting promiscuity isn't really getting them what they wanted after all because as women we always stand to lose so much more than men when we give in. Men love adventure and intrigue while women crave intimacy, romance, and passion. We were created for so much more than a sexual outlet for men and as women we want and deserve more than just sexual release for ourselves. In this fun and interactive companion to *Kissed the Girls and Made Them Cry*, Lisa Bevere helps women of all ages, youth and adult, to look at abstinence from a healthy, life-giving, exciting point of view. Through letters, prayers, questions to answer, and even movies, readers will discover they can gain the freedom to reclaim the dreams they have lost. God wants us to walk in purity to realize and live the dreams He has for us and we have for ourselves. It is time to restore dignity, honor, strength, and yes, even power to generations of women, young and old, who are no longer willing to lose. **Sacred Healing** Janet Davis, 2010

This is a book about opening our souls to honest awareness of grief and pain and letting God's all-embracing love surround us. Each of the author's recollections encourages readers to find comfort in Scripture and prayer, as well as in the ordinary things in life: marigolds, willow branches, relationships, synchronicities, and even beer. In these simple stories, she addresses those who are too sad and overwhelmed to seek companionship with God and others, and she assures them that sacred healing is possible when they allow God's powerful love to embrace their hurting souls. **Does God Hear Your Cries** Malaysia Sinclair, 2019-08-16

I wrote this book because I feel that it is about time to write my life story and to give hope to the downcast, the brokenhearted, and the wounded souls. My hope in writing this book is to touch the hearts of those who feel they have no hope left in their weary souls. I'm now in a place where I'm able to share the most embarrassing and horrendous assaults that were meant to destroy me. I now walk in freedom because the Lord came into my life and straightened every crooked place in my life. *Primary Lessons in Christian Living and Healing* Annie

Rix Militz, 1904 *Journey Into The Divided Heart* Steve Fair, 2020-03-11 Perhaps you've been to counseling for years or maybe you've never sought outside help. Either way, you know there are fears, insecurities, emotional blockages that have kept you from living truly free. You're tired of it and want more. Congratulations! You hold in your hands a guide to help you on your path to true freedom, a path that can lead you safely into true emotional wholeness. You experience unresolved pain and multiple layers of self-protection called defense mechanisms that lead to addictions, anxiety, depression, and relationship difficulties, yes, even with God, with which we all struggle. This book will give you the tools you need from both a clinical and spiritual perspective to become truly free. The resulting peace, love, joy, reconciled marriages and relationships, and sense of positive, Christ-centered identity is the fruit of your journey and will come as you lay these protections down that have become your prison. This book is a must-read for anyone looking for true, lasting change, as well as a role-defining text for
