Fasttrack Bab Methodbook 1:

Boxer's Book of Conditioning and Drilling Mark Hatmaker, 2011 Going beyond the standard workout for boxers this innovative manual introduces a diverse set of training methods integrating them into drill sets that build the athletic attributes for which past and present fighters are known From Leroy Jones sparring with chickens and Ken Norton's 15 combined rounds of shadow boxing sparring and bag work to Ricky Hatton's staggering 12 round sparring bouts with a body belt and Kosta Tszu's creative tennis ball and head strap punching apparatus this guide highlights a wide vocabulary of exercises all incorporating boxing specific equipment The drills can be performed solo or with a partner and each piece of equipment is approached individually with detailed descriptions of routines including floor exercises and drills with the heavy bag medicine ball horizontal rope and jump rope With two workout menus for weight training this guide guarantees a regime to suit any individual need be it professional or simply a desire to train like some of the best athletes in the world

Raising Talent - How to Fast-Track Potential into Performance Tim Goodenough, 2012-09-29 High performance in general and in sport in particular is becoming more and more competitive Today's parents and the coaches of talented youngsters face many challenges They know intuitively that they need to do something to help their children achieve their full potential but what is that something Executive coaches Tim Goodenough and Michael Cooper are highly experienced at working with people who want to develop that elusive balance between work and life while at the same time trying to develop their potential to get the most out of both They also work in the world of high performance sport In Raising Talent they set about discovering understanding and learning what the key dynamics and challenges are for developing talent especially that of children As their thinking became sharper and their principles better defined several models and techniques emerged and this book explains their context and how they may apply in your home They provide an accessible and quality self coaching programme and a solid foundation of high performance theory for fast tracking development This unique system of accelerating performance means that the hard working individual now has access to many of the mental coaching techniques and benefits that normally only a highly skilled professional would be able to provide Although aimed at parents more than any other group the principles and techniques in Raising Talent can be applied to the development of performance regardless of the level of talent at any age In fact these same models and principles have been successfully used to accelerate the performance of Olympians executives international athletes and performers in multiple sports and contexts as well as to develop Tim's karaoke singing
