This Selected Poems Alli Warren s first UK collection presents work from her first three full length books Here Come The Warm Jets 2013 I Love It Though 2017 and Little Hill 2020 Shot through with clear sighted hope yet intensely attentive to the specific cruelties of our present epoch Warren asks who is permitted unhindered breath This work aims to study the past to denaturalize the present to reverse the mirrored and self perpetuating notions of nature and culture human and animal Warren knows that poetry can t sing from beyond mediation but insists that poetry can acknowledge mediation s more mendacious disguises and bring them out into the open Carried through by a prosody alternately razor sharp and capaciously crowded in lines and sentences harshly yet lovingly aware of the possible future in the tender measure poet as ventriloquist throws multiple voices to see what s revealed under poetry s light With glamour and imagination and biting humour in abundance Warren seeks to walk to the end of the world system the terror of the totally plausible future at once post apocalyptic and utopian When I said I was going to the bar I meant no death no death Such work may begin from economic fact but it s where you go from there that matters Operating within the flows and constraints of racialised capitalism a space of horror shared with monsters Warren s poetry also throws up multiple pleasures guilty and otherwise and glimmers of collective possibility of possible futures we can sometimes glimpse and live within This is poetry written from community poetic and otherwise living and dead and otherwise from Oakland El Cerrito San Francisco from the meadow from the street
