Faust Part 1:

Faust Johann Wolfgang von Goethe, 2005-07-28 Goethe's Faust reworks the late medieval myth of Dr Faust a brilliant scholar so disillusioned he resolves to make a contract or wager with the devil Mephistopheles The devil will do all he asks on Earth and seek to grant him a moment in life so glorious that he will wish it to last for ever But if Faust does bid the moment stay he falls to Mephisto and must serve him after death In this first part of Goethe's great work the embittered thinker and Mephistopheles enter into their agreement and soon Faust is living a life beyond his study and in rejuvenated form winning the love of the charming and beautiful Gretchen But in this compelling tragedy of arrogance unfulfilled desire and self delusion Faust served by the devil heads inexorably towards destruction *Faust Part 1* Johann Wolfgang von Goethe, 2001

Goethe's classic enlivened by Randall Jarrell's fine translation and Peter Sis's dark dreamy illustrations Randall Jarrell's translation of Faust is one of his most important achievements In 1957 he inscribed Goethe's motto on the first page of his notebook Ohne Hast aber ohne Rast Without haste but without rest and from then until his death in 1965 he worked on the masterpiece of his own favorite daemon dear good great Goethe His intent was to make the German poetry free unrhymed poetry in English He all but finished the job before he died and the few lines that remained untouched Gretchen's Room were rendered into English by Robert Lowell This elegant new edition features numerous beautiful line drawings and jacket lettering by the renowned Czech artist Peter Sis author of the award winning books Starry Messenger Galileo Galilei and Tibet Through the Red Box *Faust, Part 1 (Translated by Anna Swanwick with an Introduction by F. H. Hedge)* Johann Goethe, 2017-09-12

Faust: Part One Johann Wolfgang von Goethe, 2021-09-26 Faust Part One Johann Wolfgang von Goethe The story of Dr Faustus and the Devil is one of such deep human significance and from the Reformation downwards of such large European reputation that in giving some account of its origin character treatment legendary and poetical I shall seem to be only gratifying a very natural curiosity on the part of the intelligent reader We who live in the nineteenth century in a period of the worlds intellectual development which may be called the age of spiritual doubt and scepticism in contradistinction to the age of faith and reverence in things traditional which was first shaken to its centre by the violent shock of the Reformation can have little sympathy with the opinions as to spiritual beings demoniacal agency magic and theosophy that were so universally prevalent in the sixteenth century We believe in the existence of angels and spirits because the Scriptures make mention of such spiritual beings but this belief occupies a place as little prominent in our theology as its influence is almost null in regard to actual life In the sixteenth century however Demonology and Angelography were sciences of no common importance and were too a fruitful root whence the occult lore of the sages and the witch ghost and magic craft of the many took their rise and spread themselves out into a tree whose branches covered the whole earth with their shadow From the earliest Christian fathers to the last lingering theosophists of the seventeenth century we can trace a regular and unshaken system of belief in the existence of infinite demons and angels in immediate connection with this lower world with whom it was not only possible but of very frequent occurrence for men to have familiar intercourse Psellus i1 the prince of philosophers does not disdain to enter into a detailed account of the nature and influence of demons and seems to give full faith to the very rankest old wives fables of d mones incubi et succubi afterwards so well known in the trials for witchcraft which disgraced the history of criminal law not more than two centuries ago Giordano Bruno the poet the philosopher and free thinker of his day to whom the traditionary doctrines of the Church were as chaff before the wind was by no means free from the belief in magic the fixed idea of the age in which he lived O quanta virtus says he in all the ebullition of his vivid fancy O quanta virtus est intersectionibus circularum et quam sensibus hominum occulta cum caput draconis in sagittario exstiterit diacedio lapide posito in aqua naturaliter spiritus ad dandum responsa veniunt i2 The comprehensive mind of Cornelius Agrippa the companion of kings and of princes soon sprung beyond the Cabbalistical

Leon,1948 Faust: Part Two J. W. von Goethe,2008-05-08 Loosely connected with Part One and the German legend of Faust Part Two is a dramatic epic rather than a strictly constructed drama It is conceived as an act of homage to classical Greek culture and inspired above all by the world of story telling and myth at the heart of the Greek tradition as well as owing some of its material to the Arabian Nights tales The restless and ruthless hero advised by his cynical demon companion Mephistopheles visits classical Greece in search of the beautiful Helen of Troy Returning to modern times he seeks to crown his career by gaining control of the elements and at his death is carried up into the unknown regions still in pursuit of the Eternal Feminine David Luke's translation of Part One won the European Poetry Translation Prize Here he again imitates the varied verse forms of the original and provides a highly readable and acceptable translation supported by an introduction full notes and an index of classical mythology ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more *Goethe's Faust* Johann Wolfgang von Goethe,1930 **Faust** Johann Wolfgang Von Goethe,2013-12 Faust is ever frustrated in his quest for knowledge and the true essence of life By this he attracts the attention of the Devil Mephistopheles Faust makes a deal with the Devil for more knowledge and power agreeing to give his soul to Mephistopheles on the moment that Faust reaches the zenith of happiness Faust believes this moment will never come Yet happiness does arrive to Faust in the form of the young and beautiful Margaret Mephistopheles cleverly brings the two together in a lustful and ultimately tragic affair Margaret and her family are destroyed by Mephistopheles' deceptions and Faust's desires Johann Wolfgang von Goethe's Faust is a tragic drama It is Goethe's most famous work and considered by many to be one of the greatest works of German literature This translation is written by Bayard Taylor in the original meter Taylor felt a deep connection to German culture and literature that is shown in his ability to create a translation in verse and tone that compliments the original
