Edward Spann, Michael Edward Williams, 2008 Presidential Praise Our Presidents and Their Hymns offers the most comprehensive

coverage ever written of the influence of hymns on the lives and administrations of America's presidents. Each chapter begins with Michael Williams's concise presentation of each president's path to the White House and his accomplishments and failures as president. C. Edward Spann then introduces how each president regarded music, whether or not he was musical, and music in the White House during each president's administration. These hymns may be related to developments in the life of the president, including his spiritual journey, major decisions he had to make as president, or even his selection of the inaugural Scripture. Spann then tells the story of how the hymn was written, both the words and the music. Presenting this scholarly material in an inspiring manner is part of the delight of the book. In doing so, the book covers a panorama of hymnody from 1614 to the 1980s. After an interpretation of the words, it is demonstrated why the chosen hymns were meaningful to each president. The format of each chapter reveals this special emphasis that can't be found elsewhere. **40**

Favorite Hymns on the Christian Life Leland Ryken, 2019. Providing literary analysis and historical background, Leland Ryken invites us to experience great hymns as powerful works of devotional poetry, savoring elements that we easily miss when singing them. Amazing Grace Kenneth W. Osbeck, 1999-08. Hymns, spirituals, and carols for voice and piano, includes chord symbols for guitar, chord organ, and accordion. *Three Toccatas on Famous Hymn Tunes* Page C. Long. If you like show pieces, then this collection is for you. Page Long has composed toccatas on three well-known hymn tunes: *Lancashire*, *St. Anne*, and *St. Catherine*. While not easy, these can be mastered by most organists, and all sound more difficult than they actually are. All three have been registered for a two-manual instrument and are sure to please all who hear them. *Three Communion Meditations on Familiar Hymn Tunes* David Maxwell. This set includes beautiful settings of well-known hymn tunes: *Picardy*, *Wondrous Love*, and *Amazing Grace*, that organists will find useful over and over again. While perfect for use during Communion, each piece is substantial enough to stand on its own. Maxwell has called for specific colors with his registrations, but any organist will find these arrangements playable on almost any size instrument and with little work. Catalogue of Music for Organ and Instruments James Laster, 2005. This book presents music titles in which the organ is part of a chamber ensemble. Alphabetized by composer, entries contain the bibliographical information for each title and a brief commentary or description, as well as information on the level of difficulty, timing, mood, fingerings, pedalings, and other performance aids. This catalogue will be of interest to church organists searching for a piece for organ and brass, appropriate for Easter, visiting instrumentalists choosing music for a Sunday service, teachers introducing their organ students to the experience of accompanying a violin, and instrumentalists seeking a composition to play with the organ, among many others. **BOOK JACKET** Title Summary field provided by Blackwell North America, Inc.
