## **Feast Unknown:**

A Feast Unknown Philip José Farmer,1975      *A Feast Unknown* Philip José Farmer,2012-10-09 Sci fi meets the grittiest of horror and pulp fiction in Grand Master Philip Jos Farmer s controversial novel set in the Wold Newton universe The legendary Apeman Lord of the Jungle and bastard son of Jack the Ripper fights the equally legendary Doc Caliban Man of Bronze and Champion of Justice For the loser it will mean death for the victor not just life but immortality Inflamed by strange passions these titans run amok in an orgy of hate and vengeance lust and bloodshed But these two titans have more in common than they could ever have imagined So who are the dark manipulators of their destiny      **The Mad Goblin** Philip José Farmer,2013-06-11 They were known simply as the Nine grim and ancient rulers who thirty thousand years ago had discovered the key to eternal life and ever since had secretly held the world in thrall Once Doc Caliban had been their servant and had shared their secrets Now appalled by their tyranny he has turned against them daring to challenge their centuries old supremacy Together with two henchmen whose superhuman skills match his own Caliban sets out on the trail of the deadliest of the Nine the mad goblin Iwaldi the very incarnation of evil      HSA Books and Manuscripts Dallas Auction Catalog #682 Sandra Palomino,2008      *The Final Feast* Pamela Elizabeth Craven,2007 Intrigued by this mundane ubiquitous vessel the author of this study began to collect data from amphora related burials with the intention of drawing parallels between Roman lifestyles and changing funerary practices in Gaul As the data collection grew it became apparent that not all of the burial contexts that contained amphorae qualified as lite burials Some contained sherds rather than complete amphorae together with potsherds and fragmentary goods Convinced that sherd burials hinted at a localised tradition details were added to the growing database of evidence This study therefore aims to understand this relationship through interrogation of the reasons for the selection of amphorae and their treatment in the light of mortuary practice While amphorae are still the key to this study it is recognised that the significance of the vessels must be relative to cultural and social contexts therefore the focus of this study widens from being a study of amphora in burials to a study of funerary behaviour and attitudes in which amphorae are incidental The work is divided into three parts The first section explores the development of feasting rituals in Iron Age Europe using the evidence of mythic literature classical texts and iconography Chapters 2 and 3 identify describe differentiate and analyse the feasting customs of Greek and Roman societies in order to lay a foundation for a comparative interpretation of Celtic or Gallic feasting ritual in Chapter 4 Chapter 4 as well as reviewing the classical observation of authors such as Tacitus and Strabo who describe the Gauls through Roman eyes also introduces the corroboration of later Irish mythic in which Celtic feasting plays a part In Chapter 5 the textual sources are supported by the artefactual evidence of feasting vessels furnishings and accommodation which were particular to feasting Chapter 6 comments on the rise of powerful individuals and the social changes which may have culminated in a series of Gallic burials containing wine related vessels In part II three chapters are concerned with the disposal of both human and

non human material Chapter 7 lists 265 Late Iron Age burials of Gallic Europe which contain amphorae either in complete or sherd form Though the initial recording of interments may have been included in a cemetery record in this instance each burial is treated as a unique ceremony and is accorded an individual account The amphora burials of the Champagne region are considered in full detail in Chapter 8 A body of evidence presenting similar ideology to that of amphorae burials is that of funerary pits which contain artefactual deposits associated with wine These are considered in Chapter 9 Part III the concluding Chapter 10 provides an interpretation of the assembled evidence and attempts to justify conclusions **A**
