Fathoming Bethlehem Advent Meditations:

Fathoming Bethlehem Robert F. Morneau, 2017-07 Share the experience of Advent with Bishop Morneau and with a chosen company of mystics and poets Each day begins with identification for the day of Advent and the gospel reading

The Living Church, 1997 *The Passionate Bride* Alan Davey, Elizabeth Davey, 2019-03-25 St Paul's Letter to the Ephesians is a bold declaration of love We were in the ruminations of Abba before the stardust formed into galaxies and the earth coalesced into its present shape Indeed Abba's dream for his people already existed in those primordial days Today we have the opportunity to wake up and embrace his dream with enthusiasm and intentionality As members of his church individually and collectively we want to embrace God's desire for a dynamic people infused with his passionate love The church as the bride of Christ is a powerful metaphor engaging the apostle as he writes his letter Paul's passion becomes ours as we meditate on his words which evoke spiritual desire It is in this relationship of love that the central purpose of our lives is found As we gratefully receive Christ's amity and as his bride returns it so the entire earth is enflamed with the fires of his love At the same time we recognize it is a mystery this love between Abba and his church When we receive and reflect Christ's overtures of love as a community of faith a synergy is created and released through the interconnectedness of our gifts talents and zeal The church contains the spiritual energy of a nuclear explosion and when it detonates it releases a fallout of love mercy and compassion bringing healing to the world and drawing others to the divine presence

Gracious Goodness Melannie Svoboda, 2010-06 In *Gracious Goodness* Svoboda lists more than fifty gifts of the Spirit many of which may surprise readers childlikeness common sense dazzlement levity relaxation even anger failure and guilt are included Each two page meditation based on Scripture and real life experiences begins with a relevant quote and ends with a few application questions followed by a short prayer The gifts are presented in alphabetical order for easy reference and a topical index at the end of the book adds to its flexibility for personal devotion or group sharing

Passing Guests Alan Davey, 2025-01-23 The psalmist's cogent lines that humans are both passing guests and aliens like all of our forebears Ps 39:12 bind humans together in their lived experiences This temporary status on earth is reinforced in the changing seasons from winter to spring to summer to fall year after year The seasons are both a physical reality persons experience and a metaphor for their spiritual journeys The days are not all the same as varied as the seasons they come and go carrying with them a mixture of calm and stormy periods of pain and pleasure of light and dark The voyage of life is replete with the accompanying emotions and sensations whether joyful or despairing Attending to the seasons with their own rhythms and colors provides a helpful conduit for a journey into deeper things a spiritual exploration one might say *Passing Guests* a collection of fifty two short reflections coordinated with the changing weather of the four seasons seeks to support this exploration Each entry centers on a quotation from a wise person who inspired the musings Some entries are accompanied by photographs taken by the author suggesting new avenues for meditation beyond the words on the page Whatever season one is in the hope is that

through such attention readers will find themselves in concert with the Giver Sustainer and Healer of all that truly matters to recognize they are valued loved and welcomed guests of the Creator and Redeemer God as they travel their days under the sun

Cistercian Studies Quarterly ,1999 *Rummaging for God* Melannie Svoboda,1999 Contains 100 rummagings that is short meditations that grew out of the author s own experience Questions and short closing prayers at the end of each meditation as well as the source and topic indexes help facilitate the reader s own rummaging
