FAQ Gender Mandy Woelkens,Thorn de Vries,2024-02-02 Being a queer couple Dutch TV presenter and editor in chief Mandy Woelkens and internationally known actor Thorn de Vries get an awful lot of questions about gender from parents who see their kids struggle with their identity to media who want to use the right pronouns but don t know how to do so From companies that want to be more inclusive but lack knowledge to people whose social circle includes someone who is non binary And last but not least they get a lot of questions from people who are discovering their sexuality and gender identity themselves In FAQ Gender Mandy and Thorn use their personal experiences to answer all those frequently asked questions How do you know if you re non binary How do you react when someone misgenders you How do you know which pronouns suit you This book is a perfect read for anyone who is non binary and for everyone who wants to know more about gender and wants to be a respectful ally to non binary people Our soul can get lost if we don t know who we truly are This book is written out of love for a new start Vanessa Van Cartier

Women and Gender Janice D. Yoder,1999 Well grounded in research this accessible book presents psychology as it has been transformed and is being transformed by women It discusses the changes that a feminist vision of psychology has made in everything from the methods used to the topics studied With its solid grounding in contemporary feminist scholarship this book focuses on important issues such as violence against women health psychology work family balance development across the life course and sexist discrimination Written to be reader friendly the book weaves a cohesive story that delivers its main points in a clear and straightforward manner And rather than separating womenOs experiences by stereotyped subgroups this book integrates the diversity of womenOs experiences to present as inclusive a picture as possible of women and womenOs lives An essential reference on feminist influence in psychology for every professional in psychology and sociology

A Focus on Gender Sunita Kishor,2005 This report presents a collection of six working papers on the dynamics of gender in developing countries The papers commissioned by the MEASURE DHS project were prepared by researchers recognized for their work in the areas of demography reproductive health and gender The analyses presented are based on data from the Demographic and Health Surveys DHS project Funding was provided by

the U S Agency for International Development US AID A common theme of several of the papers is the struggle to define women s empowerment and or autonomy and then to adequately measure it Five of the working papers in this volume focus on the gender questions in the core DHS questionnaire particularly the questions on household decision making and women s autonomy and empowerment and their relationship to different population health and nutrition PHN outcomes of interest The last paper examines whether PHN outcomes of interest vary by women s experience of domestic violence The PHN outcomes studied by the papers include child health nutrition mortality women s nutrition maternal care and reproductive health as well as condom use and the their risk of sexually transmitted infections and condom uses
