Division of Historic Preservation,1977 *Gene Stratton Porter, Best Novels* Gene Stratton Porter,2017-07-07 Gene Stratton Porter 1863 1924 born Geneva Grace Stratton was an American author early naturalist and nature photographer She used her position and income as a well known author to support conservation of Limberlost Swamp and other wetlands in the state of Indiana She wrote several best selling novels and well received columns in national magazines such as McCall s Her works were translated into several languages including Braille and Stratton Porter was estimated to have had 50 million readers around the world Her novel A Girl of the Limberlost was adapted four times as a film and the story of Gene Stratton Porter herself was written as a one woman play A Song of the Wilderness by playwright and actor Larry Gard for his wife actress Marcia Quick In this book A Girl Of The Limberlost Freckles The Harvester

*Gene Stratton-Porter* Gene Stratton-Porter,2009-03 Her publishers have felt the pressure of this growing interest and it was at their request that she furnished the data for a biographical sketch that was to be written of her But when this actually came to hand the present compiler found that the author had told a story so much more interesting than anything he could write of her that it became merely a question of how little need be added The following pages are therefore adapted from what might be styled the personal record of Gene Stratton Porter This will account for the very intimate picture of family life in the Middle West for some years following the Civil War

**Gene Stratton-Porter: Freckles** Gene Stratton-Porter,2010-06-11 Like all of Gene Stratton Porter s books Freckles is beautifully written One of the tests of good literature is whether it makes us think about important issues while enjoying the elements of the text and Gene Stratton Porter accomplishes just that in Freckles Like A Girl of Limberlost Freckles is a product of Stratton Porter s own life and the times in which she lived There were class differences in the early 1900 s and it was challenging for low born people to believe they could rise above that They didn t have our modern day notion of arrogance and independence This is why Freckles has historical value in addition to its literary content and unique storylines Freckles is

a great role model for boys and girls alike and is so humble He will not let the Swamp Angel marry him because he has only one hand is an orphan and has no knowledge of honorable birth which he thinks is very important While it is true that the rich characters in Freckles looked down on others and that humble folk always respected the rich people those were the attitudes and behavior of people in the times in which the book was written In regards to Freckles always believing bad about himself he did so because he had no way of knowing who he really was so he assumed the worst many people do that This attitude is called determinism which is basically the belief that people cannot rise above their background heritage circumstances or physical conditions that they are helpless to change their circumstances and lot in life Determinism was a major concern in the works of many authors of Gene Stratton Porter s time period who were seeking to challenge the set social classes and attitudes and forge new identities
