## **Environmental Litigation:**

**Environmental Litigation in China** Rachel E. Stern,2013-03-11 An account of everyday justice and the factors that shape it in the battle to seek legal relief for environmental pollution in China Environmental Litigation Cary R. Perlman,2009 The scope of what qualifies as environmental litigation is huge while at the same time this area is growing rapidly as a result of evolving issues such as climate change litigation The authors examine the most critical issues in specialized litigation including global climate change litigating government enforcement matters in both the civil and criminal context citizen suit actions toxic tort and pesticide litigation natural resources damages claims and insurance as a source of recovery **Environmental Litigation** Kegan A. Brown,Andrea M. Hogan,2019 Pollution Control in the United States J. Clarence Davies,Jan Mazurek,1998 This important new volume emerges from the most extensive evaluation of American pollution control ever undertaken The authors provide authoritative analysis of how our efforts are succeeding and how they are lacking This is crucial reading for concerned citizens scholars and students and of course policymakers as new environmental political and economic realities reshape pollution issues **Environmental Litigation** ,2009

*Environmental Protection Law and Practice* Usman, Adamu Kyuka,2017-05-01 This is basic text which offers a comprehensive approach to the consideration of environmental protection law and practice Essential concepts and issues in Environmental science including global warming caused by greenhouse effect negative and positive feedback the Gala hypothesis the Chaos theory environmental economics principles of cost benefit analysis tradable permits and other topics have been explained in such detailed but straightforward manner for the law student law lecturer legal practitioner and even the general reader who may otherwise feel unfamiliar with some of these scientific subjects critical to appreciating the law in the area to comprehend quite easily Of tremendous benefit of the legal practitioner researchers and judges this book also examines a lot of cases of environmental protection both in Nigeria and foreign jurisdictions such as the United Kingdom United States India the Philippines and a host of other countries mostly within the common law tradition The intention is to give life to the cold principles of environmental protection law by examining the cases in which environmental legal principles have been applied It is hoped that environmental law students law lecturers legal practitioners and policymakers should find this book indispensable and judges too in their adjudication of technical environmental matters Environmental Litigation ,1998 **Environmental Dispute Resolution in Indonesia** David Nicholson,2009-01-01 In the last two decades Indonesia has seen a dramatic proliferation of environmental disputes in a variety of sectors triggered by intensified deforestation and large scale mining operations in the resource rich outer islands together with rapid industrialisation in the densely populated inner island of Java Whilst the emergence of environmental disputes has sometimes attracted political repression attempts have also been made in recent times to explore more functional approaches to their resolution The Environmental Management Act of 1997 created a legal framework for the resolution of environmental disputes through both

litigation and mediation This book is the first attempt to analyse the implementation of this framework in detail and to assess the effectiveness of litigation and mediation in resolving environmental disputes in Indonesia It includes a detailed overview of the environmental legal framework and its interpretation by Indonesian courts in landmark court cases The book features a number of detailed case studies of both environmental litigation and mediation and considers the legal and non legal factors that have influenced the success of these approaches to resolving environmental disputes
