

1st Grade Fluency Folder

Dear Parent(s),

We have created this Fluency Folder to help your child develop effective reading skills. Your child will need and use this folder throughout the school year. **Please keep this folder safe.** It will be your responsibility to keep this folder intact. **It will not be replaced.** This folder will need to be brought to school and taken home on a daily basis. Below is a list of ways we will use this reading folder:

1. **Sight Words:** These lists contain the first 100 and 200 words from the Fry Instant Word Lists (1980). The students will be required to know how to read the words on each set. The daily practice is designed to help the students build reading fluency. Begin by practicing Set 1. The students will be tested weekly for mastery. **Mastery is being able to read each word in a second (see it, say it).** The student will move on to the next set when at least 75% (20 words) has been mastered. When the child moves into the next set please continue to review any words that have not been mastered from the previous sets. This is part of the daily homework. Please help your child to achieve this goal. These words may be written on sentence strips to be practiced at home.
2. **Sight Word Phrases:** In addition to Sight Word Lists, there are Sight Word Phrases. Please follow the directions indicated for Sight Word Lists. As with the Sight Word List, please remember that the student will move on to the next set when at least 75% (20 phrases) has been mastered. When the child moves into the next set please continue to review any phrases that have not been mastered from the previous sets. These phrases contain the first 100 and 200 words from the Fry Instant Word List (1980). Repeated reading of a few phrases per week gives students practice reading high-frequency words and developing fluency and general proficiency. These phrases may be written on sentence strips to be practiced at home.
3. **Reading Passages:** After the first 9 weeks, the students will begin to use the reading passages found in this folder. The same story will be read 3 times per evening, Monday-Thursday for homework. Your child's Homework Log will indicate which story is to be read each week.
 - a. Your child will read the 1st time to build accuracy. It should be timed for 1 minute. Count the number of words read correctly and record the words per minute (wpm) in the Home Practice section.
 - b. Your child will read the story a 2nd time to practice using punctuation when reading and to develop expression.
 - c. Your child will read the story a 3rd time to develop comprehension.
 - d. In addition to fluency practice, your child will answer one to two questions per night from the passage. This will help to enhance comprehension and vocabulary development.

We have found these reading folders to be very effective in developing reading skills. By working together, your child will become a successful reader.
