

TIPS AND TOOLS TO PRACTICE ENGLISH CONVERSATION

TIPS TO PRACTICE CONVERSATIONAL ENGLISH

1 SET WEEKLY AND DAILY GOALS FOR YOURSELF

Start off with smaller goals, like practicing for one hour every day, and then increase them as you grow. Other types of goals include learning one new word a day, giving yourself practice tests, memorizing verb tenses, and even watching a new show or movie in English.

3 SHARE YOUR STUDIES WITH YOUR FRIENDS AND FAMILY

Finding other people who speak English or are learning the language is a great way to practice. You can form study groups and meet regularly. You can also challenge each other to only speak English when you are together.

5 GIVE YOURSELF QUIZZES AND TESTS

When you spend time practicing, it's important to test yourself to make sure you've retained the information you've learned. You can spend hours memorizing words, but you'll never know if you've really remembered anything without testing your knowledge.

2 GET A NOTEBOOK

Dedicate a notebook to your studies and keep it with you at all times. Use the notebook to write down your goals and to practice your language skills.

4 VARY YOUR PRACTICE

It's important not to get bored with your studies. Varying how you practice can keep things exciting and challenging. Remember there are four core elements to mastering a language: writing, speaking, listening, and reading. Try to practice all four skills equally.

6 HAVE FUN WITH YOUR STUDIES

Learning a new language should be fun and keep you engaged. Any way you can practice English is an acceptable form of studying. You can watch YouTube videos, listen to music, and even read English children's books.

7 VISIT AN ENGLISH-SPEAKING COUNTRY

The best way to learn any language is to fully immerse yourself. Studying abroad or taking a trip to an English-speaking country will allow you to practice every skill you've learned. The longer you can spend there the better.

BASIC ENGLISH CONVERSATIONS FOR BEGINNERS

GREETINGS:

- Hello.
- Hi.
- Hey.
- Good morning.
- Good afternoon.
- Good evening.

At this point, you will either continue the conversation or you will say goodbye. If you do continue the conversation, you can use these questions:

- How are you?
- How are you doing?
- How's it going?
- What's up?

To respond, try using one of these and always remember to thank them and ask the same question in return.

- I'm doing well, thank you. And you?
- Good, thanks. You?
- Doing well, thanks. You?
- Great, thanks! You?

INTRODUCING YOURSELF:

- My name is ____ / I am ____.

At this point, the other person will likely introduce themselves. If not, you can ask their name.

- What is your name?

You may also have to introduce someone else:

- This is ____.
- Please meet ____.

The next step is to respond to having met someone. This can be a way to end a conversation or open it up to a larger discussion.

- Nice to meet you!
- It's a pleasure to meet you.
- Great to meet you.

If the conversation ends, use any of these:

- Goodbye.
- Bye.
- Have a good day (or afternoon, evening, or night).
