Great World Search:

The Soap Man Roger Hutchinson, 2011-06-01 The true story of a tycoon's dashed dream A wonderful little book about what happens when righteous ambition meets stubborn culture Scotland on Sunday Shortlisted for the Saltire Scottish Book of the Year Award In 1918 as the First World War was drawing to a close the eminent industrialist Lord Leverhulme whose name lives on today within the multinational company Unilever bought lock stock and barrel the Hebridean island of Lewis His intention was to revolutionize the lives and environments of its thirty thousand people and those of neighboring Harris which he shortly added to his estate For the next five years a state of conflict reigned in the Hebrides Island seamen and servicemen returned from the war to discover a new landlord whose declared aim was to uproot their identity as independent crofter fishermen and turn them into tenured wage owners They fought back and this is the story of that fight The confrontation resulted in riot and land seizure and imprisonment for the islanders and the ultimate defeat for one of the most powerful men of his day *The Soap Man* paints a beguiling portrait of the driven figure of Lord Leverhulme but also looks for the first time at the infantry of his opposition the men and women of Lewis and Harris who for long hard years fought the law their landowner local business opinion and the media to preserve the settled crofting population of their islands Magnificent West Highland Free Press

Searching for Crazy Horse Kurt Philip Behm, 2011-12-15 Award winning author Kurt Philip Behm's third novel *Searching For Crazy Horse* is the seminal work of a forty year search for the truth within himself While touring the Rocky Mountains by motorcycle since 1967 he started to hear a voice from deep inside himself talking to him and saying things that at first he could not understand The great Crazy Horse's words were confusing when first spoken but once heard clearly they allowed the author to break through his own limitations and finally set himself free Ride with them together as they travel the high mountains along the spine of the Great Divide You will come away with a better understanding of what it meant to be truly free in a time when the American landscape was big enough to hold all of one's imagination within its heart And where the true magic within a dream was in dreaming it together

[Out There Search for the Messiah](#) Leonard Holst, 2005-11 DANIEL book of mysterious dates and future events has been the concern of serious Bible students for thousands of years Its predictions have challenged the church and the world Exciting reading too Remember Daniel in the lion's den OUT THERE SEARCH FOR THE MESSIAH is different from most books in that it endeavors to simply describe what the book says Daniel's prophecies of the coming of Messiah are the most dramatic to be found in all of Scripture The coming of Jesus the Messiah is predicted more than 500 years before it happened The future of the world and the church is also described in most disturbing detail Daniel is important to every person who is concerned about the future The book proves beyond doubt that the Jesus Christ who appeared on earth 2 000 years ago is the one and only true Messiah and He is
