Brown,1973 *Garbo* Robert Gottlieb,2021-12-07 A New York Times Book Review Editors Choice One of Esquire s 125 best books about Hollywood Award winning master critic Robert Gottlieb takes a singular and multifaceted look at the life of silver screen legend Greta Garbo and the culture that worshiped her Wherever you look in the period between 1925 and 1941 Robert Gottlieb writes in *Garbo* Greta Garbo is in people s minds hearts and dreams Strikingly glamorous and famously inscrutable she managed in sixteen short years to infiltrate the world s subconscious the end of her film career when she was thirty six only made her more irresistible Garbo appeared in just twenty four Hollywood movies yet her impact on the world and that indescribable transcendent presence she possessed was rivaled only by Marilyn Monroe s She was looked on as a unique phenomenon a sphinx a myth the most beautiful woman in the world but in reality she was a Swedish peasant girl uneducated na ve and always on her guard When she arrived in Hollywood aged nineteen she spoke barely a word of English and was completely unprepared for the ferocious publicity that

quickly adhered to her as almost overnight she became the world's most famous actress. In *Garbo*, the acclaimed critic and editor Robert Gottlieb offers a vivid and thorough retelling of her life beginning in the slums of Stockholm and proceeding through her years of struggling to elude the attention of the world, her desperate, futile striving to be left alone. He takes us through the films themselves, from M.G.M.'s early presentation of her as a vamp, her overwhelming beauty drawing men to their doom, a formula she loathed, to the artistic heights of *Camille* and *Ninotchka*. *Garbo Laughs*, by way of Anna Christie, *Garbo Talks*, *Mata Hari*, and *Grand Hotel*. He examines her passive withdrawal from the movies and the endless attempts to draw her back. And he sketches the life she led as a very wealthy woman in New York, a hermit about town, and the life she led in Europe among the Rothschilds and men like Onassis and Churchill. Her relationships with her famous co-star John Gilbert, with Cecil Beaton, with Leopold Stokowski, with Erich Maria Remarque, with George Schlee, were they consummated? Was she bisexual? Was she sexual at all? The whole world wanted to know and still wants to know. In addition to offering his rich account of her life, Gottlieb in what he calls *A Garbo Reader* brings together a remarkable assembly of glimpses of Garbo from other people's memoirs and interviews ranging from Ingmar Bergman and Tallulah Bankhead to Roland Barthes, from literature she turns up everywhere in Hemingway's *For Whom the Bell Tolls*, in Evelyn Waugh, Graham Greene, and the letters of Marianne Moore and Alice B. Toklas, from countless songs and cartoons and articles of merchandise. Most extraordinary of all are the pictures: 250 or so ravishing movie stills, formal portraits, and revealing snapshots, all reproduced here in superb duotone. She had no personal vanity, no interest in clothes and make-up, yet the story of Garbo is essentially the story of a face and the camera. Forty years after her career ended, she was still being tormented by unrelenting paparazzi wherever she went. Includes *Black and White Photographs*, *Our Book, Our Ancestors, Ourselves, and Our Children* Ben Franklin Dixon, 1932. **The Photographic Art Market**, 2007. *Biography*, 1995. **The Necessity of Anti-Semitism** Anthony Curtis, Frederic Raphael, 1997. A collection of book reviews and some essays, many of them published previously. Two of the essays deal with antisemitism. **The New Yorker** Harold Wallace Ross, Katharine Sergeant Angell White, 1994. **New Statesman Society**, 1994. **Camera Obscura**, 2001. A journal of feminism and film theory. *Haven* Chris Casson Madden, Carolyn Schultz, 2004. I think each of us gravitates toward a certain look or certain design style, and I've come up with what I consider to be the three most distinct design profiles. **Mirabella**, 1993.
