of misfortune repeating itself in a new age a new generation with the same finality as if their destiny had been wickedly predefined From Bridgeville SC to Washington DC and from Rome to Dakar their saga brings to light the evil and virtuousness of man in its most natural occurrence as a part of daily life The story brings together various individuals of different and sometimes opposite background and describes either the passions of their encounters or the clashes resulting from their conflicts It analyses the most wonderful passions of love beauty and happiness and juxtaposes the horrible ugliness of hate and abuse It incorporates the duty and responsibility of man within the context of our society and dwells into the aberrations of its marginal sector It is an interweaved matrix of emotional extremes It demonstrates that evil has no color no race no religion and that it transcends the social fabric of our society
