

# ETRURIA PAST AND PRESENT

BY  
M. A. JOHNSTONE

**T**HIS book aims at giving a simple and graphic account of Etruria and the Etruscan people, concentrating on their social history rather than on abstruse research into their language and racial origins. It states the most important hypotheses which have been advanced, but professes no criticism of them. It is planned for the general reader and it contains much practical guidance for the traveller who seeks to visit Etruscan antiquities.
