## Handicapped Who Says:

The Great Galliwasp's Handicap Cornelia Loubser, Phillip Joubert, 2013-03-15 Let this journey be the light in our darkness Will none of you ever feel hunger again for a member once told me that there are two paths One path is hidden and one path is obvious The right and the wrong I have come to accept that I have chosen the obvious path which is the wrong I find comfort in knowing that wrong done for the right reasons is considered neither A path in between love and hate heaven and hell the path that is not considered a choice but a will A simple will to change what has been left in silence for thousands of years The silence will be broken once and for all our voices will be heard by the race that took the choice for granted They burn each and every resource for their own gain To live a fantastic life filled with riches they gained by murdering the purest and simplest of all our Mother Land I have lived there and what I saw made me make this wrong decision We are not the ones who should have been damned into this hell We will stand together for the life they have taken from the innocent beings that carry our blood The only true pure form of the great Creators hand the living that have no path to choose The Great Galliwasp
