This extensive collection not only presents Dickens's novels, short stories, and essays but also reflects his vivid storytelling style characterized by intricate plots, rich character development, and keen social commentary. Set against the backdrop of Victorian England, Dickens's works delve into the struggles of the impoverished and the corruptions of wealth, making them as relevant today as they were during his lifetime. The annotated editions provide readers with invaluable insights into societal issues, historical contexts, and Dickens's innovative narrative techniques. Charles Dickens (1812-1870) was born into a life of hardship, which profoundly influenced his writing. His experiences with poverty as a child, coupled with his early career as a writer and social critic, enabled him to capture the plight of the downtrodden with unparalleled empathy. Dickens's ability to weave humor with stark criticism of societal norms showcases his complex relationship with the world around him and his passionate advocacy for social reform. For both newcomers and devoted fans of Victorian literature, Charles Dickens Complete Works is an essential collection that invites readers to explore the timeless themes of justice, compassion, and resilience. Harper's New Monthly Magazine, 1865 Important American periodical dating back to 1850 **Our Mutual Friend** Charles Dickens,1865 One night a crankypants riverman and his daughter find a body in a river outside London. Dum dum dum. The body is that of John Harmon, a young man who was supposed to return to England to claim a huge inheritance from his father. But now that the young man's been murdered, the money will go to a pair of old na ve servants named Mr and Mrs Boffin. Right on cue, whole bunch of shifty folks come out of the woodwork to see what they can get out of the Boffins. One of the points of Old Man's Harmon's will was for his son John to marry a young woman named Bella Wilfer. Well, it looks like Bella Wilfer won't get the money she expected because her would be husband is dead. But the Boffins still want to take her in and treat her like their adopted daughter. Meanwhile, two guys named Bradley Headstone and Eugene Wrayburn compete for the love of Lizzie Hexam, the same girl who found John Harmon's body in the river at the beginning of the book. As the plot unfolds, Bradley's hatred of Eugene gets deeper and deeper until he attempts to murder the dude. But the murder is unsuccessful and it only brings Eugene and Lizzie closer together as Lizzie nurses Eugene back to health. About halfway through the book, we learn that John Harmon isn't dead after all. Instead, he's

posing as Mr Boffin's secretary Mr Rokesmith so he can judge whether Bella Wilfer would make a worthy wife or if she is interested only in money Eventually Bella proves herself by sacrificing her position with the Boffins in order to defend Mr Rokesmith Harmon thinks this is proof enough of her value so he marries her and eventually gets around to reclaiming his former identity and the fortune that goes with it By the end of the book all the bad guys are punished yay and the good guys are
