The Sellout Charles Gasparino,2010-10-19 The ongoing tumult in financial markets and the global economy began when some of our most esteemed financial institutions our government and even average citizens abdicated their collective responsibilities eventually selling out investors and selling off the American Dream itself From critically acclaimed investigative journalist and CNBC personality Charles Gasparino comes a sweeping examination of the most volatile anxiety ridden era in our nation s socioeconomic history The winner of the 2009 Investigative Reporters and Editors Award for Books The Sellout traces the recent implosion of the financial services business back to its roots in the late 1970s when Wall Street embraced a new business model predicated on enormous risk Gasparino reveals a startling trail of culpability from the government bureaucrats who crafted housing policies to the Wall Street firms that underwrote and invested in risky debt to the mortgage sellers who indiscriminately handed out loans and finally to the homeowners who thought they could afford mansions on blue collar wages

*The Criminal Class* Paul A. MacNamara,2022-07-06 Teaching in the jail system is a surreal experience a whole other existence In this bizarreness you encounter things that make you shake your head shake your fist cry your heart out laugh your head off and blow your mind And I felt compelled to write it down to capture its un realness Hopefully I can convey some of this in Criminal Class The only door in the room was now closed and sitting before me was a murderer a rapist an armed robber and a guy serving six years for grievous bodily harm Each of them had a sharpened pencil in their hands a potential weapon I had been forewarned yet I had handed them out willingly I looked at these four brutes trying not to stare but conscious of not looking away in fear either All four of them had their eyes fixed on me too sussing out the new guy In silence I shot back a tight lipped grin Slowly but purposefully I glanced at the secured metal door and next to it the red duress button on the wall I guessed the distance to be three metres I looked back at the prisoners and wondered if it came to it would I be able to press that button or exit the doorway before they could get to me I didn t fancy my chances The Criminal Class is based on the true life experiences of an everyday teacher who makes the precarious career transition to an Education Officer in the prison system Dealing with both the law enforcers and the law breakers but not bound by any normal allegiances he finds himself having to trod the rocky path of an outsider on the inside His surreal experiences with will compel you as they draw you in The bizarreness he encountered will make you shake your head pump your fist cry your heart out laugh your head off and blow your mind
