

Resumen de *Final del juego*

Final del juego es un cuento incluido en la tercera parte del libro homónimo del escritor argentino Julio Cortázar, protagonizado por una narradora cuyo nombre no es identificado a lo largo del texto, se trata de una niña cuya vida transcurre en compañía de sus familiares Leticia, Holanda, mamá y tía Ruth, el gato de la familia José; sin embargo su discurrir cotidiano sufre un cambio con la aparición de Ariel B y sus cartitas.

Desde el inicio la narradora-protagonista asume y representa la colectividad, es decir al grupo de niñas. Leticia es la prima de Holanda y la niña que narra la historia. A lo largo de la lectura nos enteramos que Leticia tiene un problema en su espalda, una especie de parálisis, por la cual no se puede mover mucho. Gracias a esto es libre de las tareas domésticas que las otras dos si debías realizar y podía pasar más tiempo leyendo o en otros juegos tranquilos, esto también le da el estatus de la líder del grupo.

La vida de estos personajes transcurre con sus rutinas domésticas, frases y hábitos propios de cada familia, así como un lenguaje que las identifica y une. El diario convivir estaba plagado de rencillas, travesuras e incluso "enfrentamientos" por pequeñeces, finiquitados por las adultas. Dentro del pensamiento de estas niñas no había nada mejor que estar en la calle. A la hora de la siesta, y a hurtadillas de las madres, las niñas salían por la puerta del fondo de la casa que daba a las vías del ferrocarril Central Argentino:

"Abríamos despacio la puerta blanca, y al cerrarla otra vez era como un viento, una libertad que nos tomaba de las manos, de todo el cuerpo y nos lanzaba hacia adelante. Entonces corríamos buscando impulso para trepar de un empujón al breve talud del ferrocarril, y encaramadas sobre el mundo contemplábamos silenciosas nuestro reino".

Atraídas por la sensación de diversión y el peligro de ser descubiertas, lo primero que hacían era la "inspección del reino", para cerciorarse que los vecinos no las estuviesen espiando, luego se dirigían al sector de los sauces, llamado "la capital del reino", "la central del juego". Justo allí desarrollan un juego inventado por ellas mismas, tal como dice el texto:

"Las actitudes: requerían mucha expresividad, representaban, por ejemplo, la envidia mostrando los dientes y las manos crispadas, y así el rencor, los celos, la caridad." Por su parte "las estatuas: eran todo indumentaria, y no tanto la actuación. Aunque había que estarse muy quieta. Imóvil."

Antes de iniciar el juego seguían una suerte de protocolo, *Primero había un sorteo con piedritas, ¡sin trampas! Y además: Claro que tenían sus reglas, que lo complicaban todo un poco, pero que lo hacía más divertido, sobre todo el tema de "las alianzas" unas contra otra.*

Mientras juegan, la gente que viaja en el tren alcanza a observar y ellas piensan que esto hace más divertido el juego. Un día, un papelito cae del tren: *Me gustan mucho sus estatuas, firmado por Ariel B.* un muchacho de rulos rubios y ojos grises claros, de unos 16 años, el cual causa gran impresión entre las niñas. Esto también nos da a entender que se trata de

Final De Juego
