## **Final Things:**

**Last Things** Jacques Khalip, 2018-03-27 The arrival of the Anthropocene brings the suggestion that we are only now beginning to speculate on an inhuman world that is not for us only now confronting fears and anxieties of ecological political social and philosophical extinction While pointing out that reflections on disaster were not foreign to what we historically call romanticism *Last Things* pushes romantic thought toward an altogether new way of conceiving the end of things one that treats lastness as neither privation nor conclusion Through quieter non emphatic modes of thinking the end of human thought Khalip explores lastness as what marks the limits of our life and world Reading the fate of romanticism and romantic studies within the key of the last Khalip refuses to elegize or celebrate our ends instead positing romanticism as a negative force that exceeds theories narratives and figures of survival and sustainability Each chapter explores a range of romantic and contemporary materials poetry by John Clare Emily Dickinson John Keats Percy Shelley and William Wordsworth philosophical texts by William Godwin David Hume Immanuel Kant and Jean Jacques Rousseau paintings by Hubert Robert Caspar David Friedrich and Paterson Ewen installations by Tatsuo Miyajima and James Turrell and photography by John Dugdale Peter Hugar and Joanna Kane Shuttling between temporalities *Last Things* undertakes an original reorganization of romantic thought for contemporary culture It examines an archive on the side of disappearance perishing the inhuman and lastness

**The Last Things** Regis Martin, 1998-01-01 While much of the world remains in neurotic flight from death from the Judgment that ineluctably follows it is vital to the vocation of the Christian that he face unflinching the Last Things including that eternity of joy or woe awaiting every man born into this world How will we face the end On whom does our hope finally rest What are the very Last Things ever to be remembered These and other breath catching questions are examined in this book whose pages abound with insight and imagery drawn from the rich patrimony of the Church s wisdom Here is a fresh compendium of the thought of saints and sages as disparate as Augustine Aquinas Dante Newman Hopkins Eliot Lewis James Joyce and Flannery O Connor who adorn the pages of this literary theological look at Death Judgment Heaven Hell Here then is a complete canvassing of the Last Things whose understanding remains fixed on Christ and his Church thus awakening that sense of hope on which we depend in our journey home to God

*The Last Things* George E. Ladd, 2004-01-09 In recent years scriptural prophecies about the end times have become the subject of an increasing number of books Many of these however are popularized accounts containing little thoughtful biblical scholarship Yet the serious studies available are often too difficult for the average reader to understand George Eldon Ladd has endeavored to rectify this situation with a serious discussion of eschatology written for the layperson Two radically different interpretations of the relationship between the prophecies of the Old and New Testaments have been offered One view sees separate programs for Israel and the Christian church while the other recognizes progressive revelation and a unity of the Testaments Professor Ladd holds the latter position basing his doctrine of the last things on the conviction that our final word is to be found in New

Testament reinterpretation of Old Testament prophecy Only as the prophecies are seen in the light of God's revelation through Christ can we clearly comprehend what they mean in relation to the end times

**Jesus and the Last Things** Dennis J. Billy, 2019-05-20 This book focuses on Jesus the four last things and their relevance for our lives He has much to teach us about these things Jesus faced death with courage and was raised to new life by the power of his heavenly Father He descended into hell and reached out to those who had alienated themselves from God He promised to return at the consummation of time to judge the living and the dead and to establish the fullness of his kingdom He lives forever in the house of his Father hoping to draw all people to himself and make all things new The book reminds us that for Jesus the four last things are just a prelude to the first things He is the Alpha and Omega the beginning and the end He teaches us to put last things first and first things last

[Aquinas on the Four Last Things](#) Kevin Vost, 2021-01-21 In these pages Dr Kevin Vost has made readable and accessible St Thomas's core teachings and insights on the Four Last Things and the wondrous experiences God has in store for us

**The Seven Last Things** David J. MacLeod, 2020-10-22 Revelation 19:21 is the New Testament's classic passage on the return of Christ a passage that has sometimes been called the last things In it the apostle John sets forth seven major motifs of biblical eschatology

**God's Church-Community** David Emerton, 2020-07-09 David Emerton argues that Dietrich Bonhoeffer's ecclesial thought breaks open a necessary third way in ecclesiological description between the Scylla of ethnographic ecclesiology and the Charybdis of dogmatic ecclesiology Building on a rigorous and provocative discussion of Bonhoeffer's thought Emerton establishes a programmatic theological grammar for any speech about the church Emerton argues that Bonhoeffer understands the church as a pneumatological and eschatological community in space and time and that his understanding is built on eschatological and pneumatological foundations These foundations in turn give rise to a unique methodological approach to ecclesiological description an approach that enables Bonhoeffer to proffer a genuinely theological account of the church in which both divine and human agency are held together through an account of God the Holy Spirit Emerton proposes that this approach is the perfect remedy for an endemic problem in contemporary accounts of the church that of attending either to the human empirical church community ethnographically or to the life of God dogmatically and to each problematically at the expense of the other This book will act as a clarion call towards genuinely theological ecclesiological speech which is allied to real ecclesial action

**The Last Things** Paul Helm, 1989-01-01 Concern for the present life has overpowered that for the life to come writes Paul Helm in the introduction to this timely study of the four last things death judgment heaven and hell

*The Last Things* Regis Martin, 2014-01-13 The Last Things is an accessible and deeply profound look at those four most important things Death Judgment Hell and Heaven Professor Regis Martin expertly guides the reader through the eschatology with the aid of popes theologians and even literary greats The Last Things is at once entertaining and enlightening and a must read in preparation for the inevitable final days Try to imagine the one thing in this world that is most worth knowing by everyone The thing that

is most worth having Something the sheer longing for which could never be dismissed merely as a function of time or space  
tribe or temperament Is there a sentient being around who has not felt it wondered about it made some effort to obtain it  
Could it have something to do with the final outcome of our lives Or the lives of those whom we love Lives no longer with us  
but lost whom we long once more to see to be with What does Christianity offer us in this regard Has the Church anything  
distinctive to say about it And if so can it assuage this most deep and persisting of human hungers The answers to these  
questions and a clutch of others besides are to be found in the Church s doctrine of the Last Things Excerpt pg 7 **The
