Otto Scheerer

Following Mateo:

After Escobar Chris Feistl, Dave Mitchell, Jessica Balboni, 2025-06-24 Renowned DEA agents Chris Feistl and Dave Mitchell tell the incredible true story of how they helped dismantle the world's single most powerful crime syndicate as featured in Season 3 of the hit Netflix series *Narcos*. By the early 1990s Colombia's Cali cartel had become what the former head of the DEA Thomas Constantine referred to as "The biggest and most powerful crime syndicate in history." Responsible for nearly 85% of the cocaine that reached U.S. soil and 90% worldwide, they were untouchable, earning billions of dollars all while maintaining their reputation as "The Godfathers of Cali" and brazenly corrupting thousands of Colombian authorities and government officials, even buying the outcome of the 1994 presidential election. In 1994, the DEA sent young operatives Chris Feistl and Dave Mitchell to Colombia with one formidable task: help Colombian authorities take down the ruthless leaders of the brutal Cali cartel. Not an easy job for two men who looked more like tall, lanky surfers than DEA agents standing well over six feet tall and only six years removed from the DEA Academy; they were the epitome of conspicuous in a city where most residents rarely, if ever, saw an American in person. Many of their colleagues feared for their safety, openly questioning their ability to blend in. Their almost three-year journey would lead them from the bureaucratic halls of the U.S. Embassy to the violent streets of Cali and deep into its rural sugar cane fields, on high alert day and night as they dodged deadly cartel assassins and oftentimes worked unilaterally to battle the unprecedented corruption within Colombia's security forces. Over time, their relentless efforts began to slowly degrade the godfathers' defenses and weaken their infrastructure. *Seducing Destiny* R. D. Jones, 2018-02-07 Travel into the future of lust, mystery, and desire. The trials and errors of true love must prevail. Will it? Do we know if fate exists, or is it a myth? This story will take you on an adventure. You will travel through the challenges of destiny's seduction. Does true love and fate exist? **Of Liars and Machines** Leo Penny, 2015-12-24 A man is stranded on a desert island. Reality? He remembers how water tastes. But remembering is not the same as having. There are a lot of things he had. Walter is a man on the run. There aren't many places to run on a desert island. But a man can run, even if there should only be one wooden plank left to the world. This is the description of a classic mystery tale. Part philosophic thriller, part refined love story. Who is the murderer, and will he be brought to justice? [Into the Sweet Hereafter](#) Kaye George, 2021-03-09 Spring has sprung in the charming tourist town of Fredericksburg, Texas, and one of the tastiest attractions is a trip to Tally's Old Tyme Sweets, until a bizarre burglary leaves a bitter aftertaste. Tally Holt is thrilled to see her new replicas of vintage sweets displayed in the window of Bella's Baskets, a gift basket shop owned by her friend Yolanda Bella. There's just one problem: the creations appear to be melting. The ladies assume the culprit is the broiling heat of the Texas sun, until that night the store window is smashed, and there's only one thing missing: the replicas. Tally is positively stumped. Clearly, the useless fake candies are more special than she bargained for, but why? When a rash of seemingly unrelated burglaries sweeps through the area, Tally is determined to sleuth out the answer and stop a thief from killing more than the town's appetite. *Child*
