Expectant Fathers Sam Bittman,Sue R. Zalk,1983-12 **Soon To Be DAD** P a Simon,2020-05-13 This book differs from other pregnancy books because it is written from a male perspective and targeted at a male audience It based on author s knowledge and own experience supported by short private story Some Readers of this book described it as the male pregnancy bible others have said it felt like they had an invisible hand guiding them through the highs and lows of pregnancy and fatherhood Many other readers have also testified of being able to anticipate and understand certain pregnancy symptoms before their partners even begin to feel them thereby helping them quell the associated nervousness and enable them better manage certain situations Pregnancy they say is a beautiful thing So beautiful that is never leaves a place the same The process of pregnancy and its aftermaths childbirth and parenthood are mostly irreversible Things never fully return to status quo It is often associated with heightened emotions for both parents and faulty communication as a result of poor knowledge and or ignorance can lead to a long list of issues that may be difficult to solve down the line Many men genuinely want to help out They want to participate be hands on and try to understand what their partners are feeling however they are often handicapped by a lack of knowledge This book offers a wealth of knowledge on navigating through this phase *When Men are Pregnant* Jerrold Lee Shapiro,1987 **Tales for Expectant Fathers** William F. Van Wert,1982 **Dude, You're Gonna Be a Dad!** John Pfeiffer,2011-03-18 There are approximately 3 712 ways for a guy to look stupid during pregnancy this book s here to help you avoid all most of them And here s your first hint Focus on what you can be doing for her rather than what s happening to her She s pregnant She knows that You know that And her 152 baby books tell her exactly what she can expect Your job is to learn what you can do between the stick turning blue and the drive to the delivery room to make the next nine months go as smoothly as possible That s where John Pfeiffer steps in Like any good coach he s been through it He s dealt with the morning sickness and doctor visits painting the baby s nursery and packing the overnight bag choosing a name hospital and the color of the car seat cover All the while he remained positive and responsive there with a You re beautiful when necessary but assertive during the decision making process he didn t want to wind up with a kid named Percy And now it s your turn She might be having the baby but you have plenty of responsibilities **Expectant Fathers** Francis T. Twigg,1987 **Handbook of Fathers and Child Development** Hiram E. Fitzgerald,Kai von Klitzing,Natasha J. Cabrera,Júlia Scarano de Mendonça,Thomas Skjøthaug,2020-10-01 This handbook provides a comprehensive review of the impact of fathers on child development from prenatal years to age five It examines

the effects of the father child relationship on the child s neurobiological development hormonal emotional and behavioral regulatory systems and on the systemic embodiment of experiences into the child s mental models of self others and self other relationships The volume reflects two perspectives guiding research with fathers Identifying positive and negative factors that influence early childhood development specifying child outcomes and emphasizing cultural diversity in father involvement and examining multifaceted specific approaches to guide father research Key topics addressed include Direct assessment of father parenting rather than through maternal reports The effects of father presence in contrast to father absence The full diversity of father involvement Father s impact on gender role differentiation Father s role in triadic interactions of family dynamics Father involvement in psychotherapeutic family interventions This handbook draws from converging perspectives about the role of fathers in very early child development summarizes what is known and within each chapter draws attention to the critical questions that need to be answered in coming decades The Handbook of Fathers and Child Development is a must have resource for researchers graduate students and clinicians therapists and other professionals in infancy and early child development social work public health developmental and clinical child psychology pediatrics family studies neuroscience juvenile justice child and adolescent psychiatry school and educational psychology anthropology sociology and all interrelated disciplines
